BOP Implementing Modified Oper

In order to mitigate the spread of COVID-19, the BOP is operating under the follow

SOCIAL VISITS: Social visits are suspended. Inmate telephone system minutes will be increas calendar month Bureau-wide.

INMATE MOVEMENT (Updated): As we previously described generally, inmate internal mover limited exceptions. This suspension, however, does not mean the BOP has ceased all inmate r federal judicial system as well as state courts continue to process criminal cases.

These movement exceptions may include, but are not limited to, transfers related to forensic s Agreements on Detainers (IAD), medical or mental health treatment (including local medical tr placements. The BOP also needs to move inmates to better manage the detention bedspac that administrative facilities do not become overcrowded beyond available resources.

The BOP and the USMS are coordinating carefully to transport and transfer federal inmates int while taking proactive steps, including aggressive testing, to mitigate the transmission of COV prison environment. The Bureau is processing all newly-sentenced BOP inmates through one c - - FCC Yazoo City, MS; FCC Victorville, CA; and FTC Oklahoma City, OK, or to a BOP detention c will test all inmates upon arrival at a BOP detention center/jail unit or at one of the three quara will be tested again before movement to their designated BOP facility.

- Inmates being released to community custody are quarantined for 14 days prior to relea the inmate has no symptoms and a temperature less than 100.4 degrees F, the inmate w
- If the inmate has COVID-19 symptoms, or temperature greater than 100.4 degrees F, the and will instead be immediately placed in isolation.

LEGAL VISITS: Legal visits will be suspended for 30 days, at which time the suspension will be case approval at the local level and confidential legal calls will be allowed in order to ensure ac approved for an in-person visit, the attorney will need to undergo screening using the same pro

Access to legal counsel remains a paramount requirement and will be accommodated to t practicable. Although legal visits are generally suspended for 30-days, case-by-case accomm

the local level. If approved for an in-person visit, the attorney will need to undergo advanced he include a temperature check.

OFFICIAL STAFF TRAVEL: Official staff travel, with the exception of relocation travel, is suspe

TRAINING: All staff training is suspended (to include conferences and meetings), with the exc for new staff.

CONTRACTORS: Contractors performing essential services or necessary maintenance on ess undergo advanced health screening, to include a temperature check. All other contractor acce Contractors who require access will be screened using the same procedures as staff prior to e

Essential services include, for example, medical services, mental health services, religious ser infrastructure repairs.

A copy of the Visitor/Volunteer/Contractor COVID-19 Screening Tool will be required for all vis contractors. A copy will be provided by staff members at the lobby for all institutions.

VOLUNTEERS: Volunteer visits are suspended, unless approved by the Deputy Director of the communication will be considered for inmates who request to speak with a religious advisor. approved for access will be screened using the same procedures as staff prior to entry.

A copy of the Visitor/Volunteer/Contractor COVID-19 Screening Tool will be required for all vis contractors. A copy will be provided by staff members at the lobby for all institutions.

SCREENING OF STAFF: Enhanced health screening of staff is being performed at all BOP loc includes self-reporting and temperature checks.

SCREENING OF INMATES: The BOP will continue to screen inmates for COVID-19 following p practices:

- All newly-arriving BOP inmates are processed through quarantine or jail/detention sites COVID-19 exposure risk factors and symptoms.
- Asymptomatic inmates with exposure risk factors are quarantined.
- Symptomatic inmates with exposure risk factors will be isolated and tested for COVID-1 authority protocols.

TOURS: Tours are suspended. Any exceptions must be approved by the Deputy Director. If ap be screened using the same procedures as staff prior to entry.

MODIFIED OPERATIONS: BOP is implementing modified operations to maximize social dista much as practicable. To that end, inmates are limited in their movements to prevent congrega maximize social distancing. Essential inmate work details, such as Food Service, continue to screening. Inmate movement in small numbers is authorized for the following purposes:

A. Commissary

B. Laundry

C. Showers three times each week

D. Telephone, to include legal calls, and access to TRULINCs

Note that inmate movement is still expected to allow, when necessary, for the provision of requ
medical care, including continued Sick Call. Select Unicor operations also continue.

PRIVATE DETENTION CONTRACTORS: This COVID-19 guidance is being shared with private
dissemination to staff and inmates in these facilities, so that similar protocols can be impleme
