For more information on The Oakmark Funds, including a prospectus which explains management fees and expenses and the special risks of investing in the Funds, please call 1-800-OAKMARK. [Click here to view the prospectus on-line](#). Please read it carefully before investing. An investor should consider a fund's investment objectives, risks, and charges and expenses carefully before investing. This and other information about the Funds are contained in the Funds' [prospectus](#).
