**Physician Directory Terms of Use:**

The WebMD 'Physician Directory' is provided by WebMD for use by the general public as a quick reference of information about physicians. The Physician Directory is not intended as a tool for verifying the credentials, qualifications, or abilities of any physician contained therein. Inclusion in the Physician Directory does not imply recommendation or endorsement nor does omission in the Physician Directory imply WebMD disapproval.

You are prohibited from using, downloading, republishing, selling, duplicating, or "scraping" for commercial or any other purpose whatsoever, the Physician Directory or any of the data listings or other information contained therein, in whole or in part, in any medium whatsoever.

The Physician Directory is provided on an "AS-IS" basis. WebMD disclaims all warranties, either express or implied, including but not limited to the implied warranties of merchantability and fitness for particular purpose. Without limiting the foregoing, WebMD does not warrant or represent that the Physician Directory or any part thereof is accurate or complete. You assume full responsibility

reliance on information provided in the Physician Directory.

The use of WebMD Physician Directory by any entity or individual to verify the credentials of physicians is prohibited. The database of physician information which drives WebMD Physician Directory does not contain sufficient information with which to verify physician credentials under the standards of the Joint Commission on Accreditation of Healthcare Organizations (JCAHO), National Committee for Quality Assurance (NCQA) of the Utilization Review Accreditation Committee (URAC).

By using the WebMD Physician Directory, you agree to these Terms and Conditions.
