Receive Mail at Other Locations

Getting your mail to you wherever you are.

If you are away from a mail delivery location with carrier service, we can still get your mail to you. If you are a military person we'll get your mail to you via one of 300 military post offices overseas.

General Delivery is a great choice for you if carrier service or a PO Box is not an option. Your mail will be held at your Main Post Office for up to 30 days and can be conveniently picked up at any retail window. This is also a great option if you don't have a permanent address. To find your Main Post Office, please contact your local Postmaster.

Military APO (Army Post Office) and FPO (Fleet Post Office) service offers mail delivery at hundreds of Military Post Offices overseas. So you can stay connected to family and friends back home while serving your country.
