About Us: Mission Statement

The mission statement of World Outreach Conference Center (WOCC) will be to fulfill the great commission....."Go ye into all the world, and preach the gospel to every creature." Our goal will be to prepare the neighborhood and surrounding community for the coming of Jesus Christ and to establish His Kingdom here on earth.

To accomplish our mission, our strategy will be the use of mass communication - specifically radio, television, mass mailings and street evangelism. We will train the young and old to understand how the principles of God relate to their every day life and how these principles can transform their lives and the world. The heart of our mission is to call unbelievers to repentance and faith in God as an important means of effecting that transformation.

God and His son Jesus Christ. Honesty and integrity will be characterized in everything that we do. Love will be our badge of honor and we will be empowered with the Holy Spirit to live and care for the needy in our community on a personal, one on one basis. We will train, equip and empower the youth in our community.

Our goal is to give generous assistance and relief to the needy and suffering in our neighborhood and surrounding community and donate to other organizations that share the same objectives.
