## 2009 IN REVIEW

The Illinois Racing Board, an independent agency of state government, shall enforce the Illinois Horse Racing Act of 1975 and its rules, to ensure the safety and integrity of Illinois pari-mutuel horse racing. The Illinois General Assembly establishes public policy in the area of horse racing regulation that is carried out by the Board. The Board allocates race dates to various racing associations and is also responsible for licensing, rulemaking, and supervising the conduct of race meets. Every participant in Illinois racing is required to obtain an occupational license. Good character and integrity of all participants are important to the continuity of the sport. Every application is reviewed, updated and carefully processed by the Board's licensing department before a license is issued. Also, by statute, fingerprinting is required of each applicant. The Board issued 8,717 licenses during 2009, a decrease of 6%.

A staff of administrative, regulatory, security, and veterinary professionals, in conjunction with Board approved racing officials, supervised the activities at five racetracks conducting pari-mutuel racing in Illinois and 30 off-track betting facilities. Each race conducted at an Illinois racetrack is observed by three stewards, two employed by the Board, one employed by the racing association. The stewards observe the races to ensure that all conduct is in accordance with rules and regulations.

On April 1, 2009, Governor Pat Quinn signed Executive Order 09-05. Pursuant to the Order, effective July 1, 2009, the functions of the Board were transferred from the Illinois Department of Revenue back to the Illinois Racing Board. Since 2003, the administrative functions of the Board were being provided by the Department of Revenue.

The Board is a member of the Association of Racing Commissioners International (RCI), the industry's oldest and most prominent regulatory association. Executive Director Marc Laino is an active participant on RCI committees. The information contained in the RCI database allows the Board to monitor the backgrounds of licensees and to exchange important regulatory and industry

information with other jurisdictions.

The 529 race programs conducted during 2009, 53 fewer than 2008, resulted in a total handle of \$736,740,493 representing a 10% decrease compared to 2008. Thoroughbred race meets accounted for \$508,343,965 a decrease of 10%, while standardbred race meets accounted for \$208,284,946 a decrease of 17%. Advance deposit wagering handle totalled \$20,111,582.

Twenty-six percent of the total handle, or \$185,989,951 was wagered on Illinois races at wagering facilities in Illinois in 2009. An additional \$739,562,003 was wagered on Illinois races from outside the state. This represents a 13% decrease from the prior year. However, 2009 marks the ninth time since full-card simulcasting began that other states wagered more on Illinois races than Illinois bettors wagered on races from other states.

Pari-mutuel wagering in Illinois generated \$7,138,525 in total state revenues, a decrease of 10% compared to 2008. Wagering at off-track betting parlors generated \$7,929,093 (2% of OTB handle) for city and county governments in 2009. This represents a 14% decrease from the prior year.

At the annual Dates Hearing on September 24, the Board awarded a total of 493 racing programs for calendar year 2010. Compared to 2009, thoroughbred race programs were reduced by 11 and standardbred by 12. The Board ordered no live harness racing, January 4 through January 26 and no live thoroughbred racing, January 3 through February 11.

On November 9, Governor Quinn appointed Alan M. Monat to serve as a commissioner on the Illinois Racing Board, replacing Dennis Bookshester. A resident of Northbrook, Illinois, he owns and operates Metro Real Estate Inspections. A former professional jockey, he competed on the Chicago thoroughbred circuit from 1974 to 1984. Commissioner Monat has the distinction of being the first jockey to be appointed to a state racing board or commission.

The Board granted 30 off-track (OTB) licenses in 2009. Each racetrack is entitled to receive up to six OTB licenses, except Fairmount

Park, which is entitled to seven licenses. A total of 37 licenses are available. In 2009, one new OTB opened and three closed. Inter-Track Partners, on behalf of Balmoral Park, opened a new OTB facility in Buffalo Grove on August 2. Off-track facilities in Peoria, Chicago (Jackson St.) and Carbondale permanently closed their doors.

On August 25, Governor Pat Quinn signed into law Senate Bill 1298, legislation that legalized advance deposit wagering (ADW). This legislation amends the Horse Racing Act allowing an organization licensee to maintain a system whereby advance deposit wagering may take place or to contract with another person or entity to carry out a system of advance deposit wagering. ADW is a form of pari-mutuel wagering in which an individual deposits money in an account with an entity authorized by the Board to conduct advance deposit wagering and then the account funds are used to pay for pari-mutuel wagers made in person, by telephone, or through communication by other electronic means. During 2009, the Board licensed four advance deposit wagering companies: TVG Network, YouBet.Com, TwinSpire, and XpressBet, Inc.

Total purses paid in 2009, \$72,807,538, decreased by almost 9% compared to 2008. Total purses paid at Illinois' thoroughbred tracks, \$48,949,553, decreased by 3% while purses paid at Illinois' standardbred tracks, \$23,857,985, decreased by 18%. Average daily purses paid at the Chicagoland thoroughbred tracks, \$222,976, decreased by 2% and the average daily purses paid at the Chicagoland standardbred tracks, \$84,621 decreased by 4%.

Several IRB rule changes were adopted in 2009, the most noteworthy being amendments to the medication rule. One amendment permits the Board's Equine Testing Laboratory to test for anabolic steroids. No androgenic-anabolic steroids shall be permitted in test samples collected from racing horses except for residues of the major metabolite of stanozolol, nandrolone, and the naturally occurring substances boldenone and testosterone at concentrations less than the established thresholds. The other amendment

permits out of competition drug testing. The Board may, with reasonable notice, take samples for testing of any racehorse participating in the Illinois racing program, stabled on or off the grounds of an Illinois racetrack.

Related to thoroughbred racing, the Board initiated rulemaking in 2009 to approve the riding crop rule based on the RCI model rule. In a similar move for standardbred racing, the Board approved the RCI whipping rule. Both rules went into effect early in 2010.

During calendar year 2009, the Board imposed 713 sanctions for violations of the Board's rules and regulations at both harness and thoroughbred tracks. The rulings include, but are not limited to, driving and riding infractions, general conduct violations, human and equine drug violations, general business practice violations and several other rule and statute violations.

GIANT OAK was voted Illinois Thoroughbred Horse of the Year. As a 3-year-old, this Giant's Causeway colt, owned and bred by the Virginia H. Tarra Trust, had one win, two seconds and one third in nine starts in 2009 and earned \$370,281. Trained by Chris Block, Giant Oak won the \$150,000 Arlington Classic at Arlington Park, was runner-up in the Grade II \$500,000 Illinois Derby at Hawthorne Race Course and ran fourth in the Grade II \$600,000 Louisiana Derby. Out of the Crafty Prospector mare, Crafty Oak, he improved to three wins in 13 career starts and boosted his lifetime earnings to \$451,677.

SOUTHERN ROCKETOP was voted Illinois Harness Horse of the Year. A winner of \$478,360 in 2009, this 3 year-old gelding, trained by Robert Taylor, went postward 17 times and recorded 11 wins. Owned by Claude Powers (purchased by Tor Birger Krageboen of Norway late in 2009), Southern Rocketop scored victories in the \$50,000 Illinois State Fair Stakes, the \$50,200 Cardinal Stakes, and concluded with a 1:57.3 win in the \$90,000 Galt Memorial Trot at Maywood Park. Southern Rocketop finished second in the \$540,000 World Trotting Derby, and finished third in the \$930,000 Canadian Trotting Classic.

## LABORATORY

Over the past year the University of Illinois at Chicago Animal Forensic Toxicology Laboratory has conducted one of the most comprehensive equine drug testing programs in the country. The laboratory accomplished this by employing an extensive array of enzyme linked immunosorbent assays (ELISA) to routinely screen samples for prohibited substances. These tests are highly sensitive and allow the laboratory to screen for a wide range of pharmaceutical substances. In addition, the laboratory routinely tests equine blood samples for violations exceeding the permitted levels of furosemide, flunixin, phenylbutazone, oxyphenbutazone, and total carbon dioxide (TCO<sub>2</sub>). The laboratory updated its TCO<sub>2</sub> analysis which now provides the Board with additional information. In consultation with the Illinois Racing Board (IRB), the laboratory implemented a routine screening protocol designed to monitor a compliance with the Board's anabolic steroid regulations.

The laboratory continues to assist the track stewards and security personnel in investigating possible doping violations that employ methods designed to circumvent our standard testing procedures. The laboratory also investigates and reports on special items such as syringes, drug vials and other contraband that are collected or seized at the racetracks.

The laboratory continues participation in two external proficiency testing programs: the International Association of Racing Commissioners Quality Assurance Program and the International Proficiency Testing Program conducted by the Association of Official Racing Chemists. The laboratory maintained a perfect score on all blinds and proficiencies in 2009.

**WHAT IS PURSE RECAPTURE?**

Purse recapture is a 1995 provision of the law that allows racetracks to recoup losses on live handle brought on by the authorization of full-card simulcasting of races from other states. Handle on Illinois races as a percentage of total Illinois handle has dropped from 95% in 1994 to 26% in 2009. The recapture amount is 2% of the decrease of Illinois handle on Illinois races from 1994. The recapture monies allocated to the racetracks are deducted from the horsemen's purse accounts. In 1999, legislation was passed that authorized annual appropriations to the Department of Agriculture for reimbursement to purse accounts equal to the recapture amounts. The appropriation is an annual decision, the racetracks will always receive their monies, either from the State or from the originally intended horsemen's purse accounts. Below are the annual amounts of purse recapture since 1995, when full card simulcasting was authorized.

## ADVANCE DEPOSIT WAGERING (ADW)

Advance Deposit Wagering officially began in Illinois on October 13th, 2009. Three companies were licensed at that time, with a fourth ADW provider licensed on November 10th. Illinois patrons place funds into an account and then wager on races using a telephone or internet device such as a computer or personal digital assistant. Each ADW provider must have a contract with an Illinois racetrack and their affiliated Illinois horsemen association.
