You can play Arrow Tag at your local park, gym, oval, home or work venue (indoors and outdoors) to name a few potential locations. For a 10 bow event we need a nice green patch of grass about 10x20 metres (that's about the size of a tennis court) and for a 20 bow event about 20x30 metres.

There aren't many weather conditions that will stop a game or Archery Attack so be dressed appropriately. We recommend closed trainers to protect your toes. If it rains a light weatherproof jacket or alternatively a change of clothes and a towel. When the sun is shining you get pretty hot so sunscreen is essential.

For our mobile events they usually last 2 hours, however we can vary this as required.

If you're visiting one of our warehouse locations stay for as long as you like!
