Airtime, data charges, and/or additional charges may apply. Your purchase, activation and use of your TracFone phone and TracFone services are subject to TracFone terms and conditions of service available at [www.TracFone.com](http://www.TracFone.com). Certain mobile phone, network and/or SIM card dependent features may not be available throughout the entire network and/or their functionality may be limited. Battery performance depends on network configuration, signal strength, operating temperature, features selected, voice data and other application usage patterns. All talk and standby times are quoted in digital mode and are approximate. Phone contains lithium ion or nickel metal hydride battery.

TracFone phones are sold exclusively for use with TracFone prepaid wireless service and TracFone airtime cards or plans. TracFone Wireless, Inc. is selling this phone to you at a discount in exchange for your agreement that it will only be used on TracFone's prepaid wireless service. By purchasing or opening this package or by purchasing any TracFone wireless phone, you agree to these terms and the terms and conditions of service enclosed (and available at [TracFone.com](http://TracFone.com)), which, among other things, specifically prohibit tampering with unlocking, reflashing or altering the software or hardware in the phone, exporting this phone or any other TracFone wireless phone outside the United States, or assisting or reselling this phone to others engaging in such acts. These acts violate the rights of TracFone Wireless, Inc and state and federal laws. TracFone Wireless, Inc. will prosecute violators to the full extent of the law. If you do not agree to these terms, do not purchase this phone or return it unopened to the place of purchase, pursuant to the retailers' return policy.

Set it up: To activate:

- Follow the instructions on the activation card, included inside this package. Important information from this card is required for activation
- Your TracFone includes 10 minutes of service setup airtime and a step-by-step TracFone services guide

Add minutes and days of service:

- Stay connected-TracFone airtime cards add minutes and service days to your TracFone. Keep your service active by adding an airtime card before the service days displayed on your TracFone run out
- Buy airtime when you buy this phone to make your purchase complete
  - Airtime cards are available at over 70,000 retail locations nationwide, online at [TracFone.com](http://TracFone.com) for instant or automatic monthly airtime options, or by calling -800-867-7183, or directly from your TracFone (requires one-time registration at [TracFone.com/buynow](http://TracFone.com/buynow))

Talk the way you want: Choose value plans or airtime cards according to your usage.

- Value plans add minutes to your phone automatically every month. Sign up at [www.TracFone.com](http://www.TracFone.com)
- Flexible airtime card options: Airtime is doubled when added (Double minute feature does not apply to "1 year double minute 800 minute" airtime card. Do not add double minute card to this phone as minutes will not redouble)

Dispose of battery according to local regulations. Do not dispose of as household waste..
