Borat: [while driving] Look, there is a woman in a car! Can we follow her and maybe make a sexy time with her?

Driving Instructor: No, no, no, no, no, no!

Borat: A-why not?

Driving Instructor: Because a woman has the right to choose who she has sex with.

Borat: [stunned] WHAT...? You joke?

Driving Instructor: It must be consensual. How 'bout that?

Borat: Ahahahahaha!

Driving Instructor: That's good, huh?

Borat: [stops laughing] Is not good for me.
