CASE MANAGEMENT

Rainbow Medical Clinic

Every Wednesday night, numerous healthcare professionals take time out of their busy lives to help people with no other access to healthcare.

Rainbow Clinic sees 30-40 patients every week with issues ranging from cuts and scrapes to heart disease and diabetes.

Aunt Martha's Youth Services provides a second weekly medical clinic at Hesed House, focusing on preventative medicine.

Unfortunately, Rainbow Clinic and Aunt Martha's on-site clinic are only able to provide services to homeless individuals residing at PADS.
