Sunday, August 5, 2012

Viewing Starts @ 11:00am
Auction Starts @ Noon

All kinds of great items - cars, riding lawn mowers, antiques, and much, much more!

The Antioch Rescue Squad is a non-profit corporation dedicated to those in need of emergency medical care of the sick or injured in the Antioch Community. Further, the Antioch Rescue Squad is also devoted to education of the general public in first aid.

Since 1940 members of the Antioch Rescue Squad have given time, talent, sweat, tears, and often their own blood in order that others in need may be given comfort - care - support - and the best emergency medical treatment available, and never would the members ask for compensation.

The Antioch Rescue Squad operates without placing a tax burden on the public. The majority of our operating budget is derived from contributions and memorials from our good friends, neighbors, and civic organizations. Click here for more information on our current operations....
