Indiana Professional Licensing Agency**Medical Licensing Board of Indiana****Telehealth Services Pilot Program Announcement:**

Please be advised that the Indiana Medical Licensing Board will be accepting requests for pilot program participation up to their regularly scheduled April 23, 2015 meeting. Entities requesting to participate should submit a brief outline of their intended pilot program before this meeting and be able to appear for a brief presentation before the Board at the April 23, 2015 meeting at which time the Board will either approve or disapprove of your participation. A copy of the rule can be found under Public Notices below. Outlines should be submitted to Michael A. Minglin, J.D., General Counsel, in care of the Indiana Professional Licensing Agency, 402 West Washington Street, Room W072, Indianapolis, Indiana, 46204. Any questions should also be directed to Mr. Minglin via telephone at (317) 234-2912 or email at mminglin@pla.in.gov.

House Bill 1065 - Use of Investigational Drugs, Biological Products and Devices

House Bill 1065 was signed by Governor Michael Pence on March 24, 2015 and became effective the same date. House Bill 1065 makes changes to Indiana Code 25-22.5-1-2.1. A copy of the Enrolled Bill can be viewed [here](#).
