[Audio] Navigating Physical Therapy Through Home Health ▢

Home health is one of the many areas involved in physical therapy. To qualify, one must be referred to by a physician, an MD, DO (Doctor of Osteopathic) or DPM (Doctors of Podiatric Medicine). Populations tend to include geriatrics, pediatrics and sometimes adults who happen to be in a car accident or recovering from a major surgery. On Sounds Good, Tracy Ross speaks with physical therapist Kamran Nabavi of Baptist Health Home Care about navigating help through physical therapy.
