## About iUniverse

iUniverse has helped more than 35,000 authors publish their books professionally and affordably since our foundation in 1999. iUniverse represents a great alternative to traditional publishing as we offer a full range of affordable professional self-publishing services—including editorial, marketing and publicity services. And we have no intention of slowing down when it comes to creating new opportunities for self-published authors.

### [Overview \(/AboutUs/AboutUs.aspx\)](/AboutUs/AboutUs.aspx)

Welcome to iUniverse, the self-publishing company founded in October 1999 that publishes more than 5,000 new titles annually. Read about our history and learn how iUniverse has become a trusted self-publisher through the years. Plus, stay up-to-date with our history by connecting with us via social media. ### [Why iUniverse? \(/Why-IUniverse.aspx\)](/Why-IUniverse.aspx)

As one of the industry-leading self publishers, we take pride in what sets us apart from other companies. See why you'll love iUniverse with these unique factors:

- [Editorial Excellence » \(/AboutUs/WhyiUniverse/EditorialExcellence.aspx\)](/AboutUs/WhyiUniverse/EditorialExcellence.aspx)
- [Recognition Programs » \(/why-iuniverse/recognition-programs.aspx\)](/why-iuniverse/recognition-programs.aspx)

### [Our Reputation \(/AboutUs/iUniverse-Reputation.aspx\)](/AboutUs/iUniverse-Reputation.aspx)

iUniverse's reputation for excellence is built upon our ability to provide authors with the tools to maximize their books' potential for success.

### [Award-Winning Titles \(/AboutUs/Award-Winning-Titles.aspx\)](/AboutUs/Award-Winning-Titles.aspx)

Many iUniverse books have gone on to earn awards from prestigious establishments and writing competitions. iUniverse would like to recognize and congratulate the achievements of these authors.

### [iUniverse Leadership Team \(/about/iuniverse-team/executive-bios.aspx\)](/about/iuniverse-team/executive-bios.aspx)

The members of the iUniverse executive management team have experience with some of the world's leading traditional publishers including HarperSanFrancisco, Putnam, Simon & Schuster, Macmillan and Pearson. Their wide range of core competencies in publishing, marketing, sales, production, technology and editorial services provide iUniverse authors with the guidance essential in making their publishing experience a complete success.
