FSSA Mission and Vision

Mission

To develop, finance and **compassionately** administer programs to provide healthcare and other social services to Hoosiers in need in order to enable them to achieve **healthy, self-sufficient** and **productive** lives.

Vision

To become a high performance, integrated and interdependent agency, leveraging its resources across the continuum of services we provide in order to reliably and consistently serve our customers while acting as astute stewards of the state and federal money provided to us.
