I don't always dance and sing at the top of my lungs when blasting music in the car, but when I do, I make sure to "act normal" at stoplights.

I believe in empathy. I am always willing to put myself in someone else's shoes. Unless I am wearing crocs, then I can go fuck themselves.

Don't worry I'm only a threat to others not myself.

Don't keep asking me if I'm mad until I get mad and then say, "See, you're mad!"

Because I will stab you.
Do not educate your children to be rich.
Educate them to be happy.
So when they grow up, they’ll know the value of things, not the price.

Dear Millionaires,
If you don't have a bookshelf that SPINS into another room, give me your MONEY. You are spending it wrong.

Being kinky doesn't make me a bad girl; it makes me a good girl, because good girls do what they're told.

A poem about me:

I hate mornings.
I wish I was drunk.

The End.

Anti-social? No, not at all. We believe ourselves to be socially-selective, and we've selected to avoid you.
An old Cherokee told his grandson:

"My son, there's a battle between two wolves inside us all.

One is Evil.
It's anger, jealousy, greed, resentment, inferiority, lies and ego.

The other is Good.
It's joy, peace, love, hope, humility, kindness, & truth.

The boy thought about it, and asked:
"Grandfather, which wolf wins?"

The old man quietly replied:
"The one you feed."
Adults think kids are naive for believing in Santa, yet adults are posting scams that they believe will win them 500 dollar gift cards on Facebook.

Adam James: Some time ago I forgot why I initially "Liked" this group. Especially since all the admin ever shares are pictures of melodramatic self-help tampon drippings. "More funny quotes and pictures at..."

You post neither. Thank you for reminding me that the removal of you from my feed is long, long overdue.

Sarah Jennings: I was just about to say this too Adam! Until about a week ago we'd get the odd funny pic or motivational phrase. Now the administrator has either 1 had a breakup which they are not handling well, 2 had melodramatic friends recommend the superior sulky feeling which comes with vague-booking, or 3 been replaced by a teenager. Either way, I'm out. Ciao.
