I was reading Proverbs 14:30 and wanted to research deeper the word rottenness.

I was looking this "Rotten" word up because of the Crooked Duke Inaki Urdangarin, in Spain, son in law of the King there. Now I understand the real context and impact on the Spanish people much better!

Estaba buscando esta "podrido" la palabra a causa de lo torcido duque Iñaki Urdangarín, en España, yerno del rey allí. Ahora entiendo el contexto real y el impacto en el pueblo español mucho mejor!

Rotten as adjective, is it a short or long adjective. If so, what are the comparative forms and superlative forms.
