## Frank Sinatra - You'll Never Know

Writer(s): gordon/warren

Darling, Im so blue without you  
I think about you the live-long day  
When you ask me if Im lonely  
Then I only have this to say

Youll never know just how much I miss you  
Youll never know just how much I care  
And if I tried, I still couldnt hide my love for you  
You ought to know, for haven't I told you so  
A million or more times?

You went away and my heart went with you  
I speak your name in my evry prayer  
If there is some other way to prove that I love you  
I swear I don't know how  
Youll never know if you don't know now

Youll never know just how much I miss you  
Youll never know just how much I care  
You said good-bye, no stars in the sky refuse to shine  
Take it from me, it's no fun to be alone  
With moonlight and memories
