PREAMBLE

The purpose of this Agreement is to reaffirm the parties' common responsibility to maintain a collaborative and collegial collective bargaining relationship that furthers the parties' shared goal of delivering high quality instructional programs and significantly advancing a well-rounded public education for the students of the Chicago public school system. Through free and open dialogue, the parties have identified the educational objectives for the Chicago Public Schools (hereinafter referred to as "CPS") and have designed this Agreement to further those objectives through good faith cooperation now and in the future.

The parties firmly believe that a well-rounded public education is an absolute necessity for any graduate to be considered college-, career- and citizenship-ready. The parties also recognize that a well-rounded public education includes, but is by no means limited to, providing students with an enriched, diverse and comprehensive curriculum that allows them to obtain essential knowledge and skills; engage in critical and creative thinking; develop independent inquiry skills and an appreciation for the arts, music and literature; improve their physical and emotional health; prepare for leadership roles in their communities; attain the technical skills necessary to become career-ready; develop the academic discipline and proficiency in the intelligent use of technology necessary to become college-ready; and ultimately graduate from the Chicago public school system prepared to become productive and self-confident citizens capable of ethical participation in a free and democratic society.

In addition, the parties recognize that the achievement of these educational objectives requires substantial short- and long-term financial investments in public education and that the fulfillment of the aspirations described in this Preamble will require dramatic and cooperative changes in education funding at the federal, state and local levels; a commitment to good faith collaboration; mutual agreement on priorities and values; and the adop-

tion of proven or research-based educational methods and instructional practices.

Furthermore, to foster a cosmopolitan spirit and better develop CPS students as tolerant and unbiased citizens, the BOARD and the UNION shall work affirmatively to the end that each student may have the educational advantage of an integrated school.

Finally, this Agreement is intended to affirm that the parties' shared goals will only be achieved if bargaining unit employees are fairly and adequately recognized and rewarded for their contributions to the educational process and provided with a wholesome work environment based on mutual respect and the highest level of professionalism. The guiding principles set forth in this Preamble shall remain at the forefront of the parties' negotiations now and in the years to come until these shared educational aspirations become a reality for each and every student and employee of the Chicago public school system.

ARTICLE 1 **RECOGNITION**

1-1. Representative Unit.

1-1.1. Scope of Bargaining Unit. The BOARD recognizes the UNION as the sole and exclusive bargaining representative of all employees employed in the job titles or categories of positions listed in Appendix D.

1-1.2. Reclassifications and New Job Titles or Categories of Positions. If the BOARD reclassifies job titles or categories of positions or employs a new job title or category of position having a community of interest with employees in the existing bargaining unit, employees in such new job title or category of position shall be included within the existing bargaining unit. Upon the UNION's request, the parties shall negotiate

Date visited: October 4, 2016

the terms and conditions of employment for such new or reclassified title or category of position. Nothing contained in this subsection shall be construed to require renegotiation of terms and conditions of employment applicable to employees in an existing bargaining unit as a result of the BOARD's reclassification of the title or category of employees in the unit.

1-2. Recognition of UNION. No other group or organization or representative thereof shall be recognized or permitted to engage on behalf of any employees included in the UNION bargaining unit (referred to herein as "bargaining unit employees" or "bargaining unit members") in any activities concerning wages, hours or terms and conditions of employment, including the submission of proposals, participation in hearings, conferences or meetings for any purposes and any other group or collective action dealing with above-described matters, subject to the provisions of the *Illinois Educational Labor Relations Act*. Insofar as possible, if any Board report directly affects this Agreement, the Chief Executive Officer or his or her designee shall contact the UNION President to discuss the report as soon as the report is finalized and prior to the meeting during which the report will be considered. After each meeting, the BOARD shall post online the Board Action Index for the meeting and all Board actions during such meeting.

Such employees shall pay an amount equal to their proportionate share determined under a proportionate share agreement to a non-religious charitable organization mutually agreed upon by the employees affected and the exclusive representative to which such employees would otherwise pay such fee. 3-2. Parties to Grievances. A grievance may be filed by an individual employee, a group of employees or the UNION on behalf of an employee or group of employees. Any bargaining unit employee who is not a member of the UNION or who has not expressed a desire to be represented by it shall have the right to present grievances and appeals on his or her own behalf as an individual through the Chief Executive Officer's Review set forth in Article 3-7 and submit suggestions to the BOARD as an individual, provided that the adjustment is not inconsistent with the terms of the Agreement and that the UNION has been given an opportunity to be present at such adjustment.

The UNION shall have the right to be present at each stage of the grievance procedure and to present its views and introduce evidence. Every effort shall be made to hold such conferences during the school day and when held during the school day all participants shall be entitled to attend without loss of pay.

3-4.2. Failure to Appear. If the grievant fails to appear at a scheduled grievance conference, and fails to appear at another grievance conference scheduled at the grievant's or the UNION's request, the grievance shall be deemed to have been resolved, provided that the grievant was given notification of said conference in accordance with the appropriate step of the grievance procedure. The provisions of Article 3-5 are applicable in the scheduling of said conferences.

3-5. Time Limits. Failure on the part of the principal, head administrator or any other administrator at any step of this procedure to communicate a decision concerning a grievance within the specified time shall permit it to be advanced to the next higher step. 3-6. Adjustment of Grievances-School Level.

3-6.1. Informal Resolution. A sincere attempt should be made to resolve any dispute on an informal basis between the grievant or the UNION delegate or UNION

3-6.4. Joint Grievances and Consolidation. If two or more grievants have the same grievance, a joint grievance may be presented and processed as a single grievance. Further, the parties by mutual agreement may consolidate other grievances

3-6.5. Initial Conference. Upon receipt of a grievance in writing, the principal or the grievant's head administrator if the grievant is not assigned to an individual school shall confer within five school days with the grievant and others involved in the grievance. At this conference the facts shall be discussed, and an effort shall be made to adjust the matter to the satisfaction of all concerned.

3-6.6. Representation. The grievant may be heard personally and may be represented by the UNION delegate, the UNION President or the UNION President's designee.

3-6.7. Communication of Decision. The principal or the grievant's head administrator if the grievant is not assigned to an individual school shall make a decision and communicate it and the bases for the decision in writing to the grievant, the UNION delegate or UNION designee and the Director of Employee Engagement within five school days after the completion of the conference.

3-7. Chief Executive Officer's Review.

3-7.1. Right to Appeal. Within fifteen school days after receiving the decision of the principal or the grievant's head administrator if the grievant is not assigned to an individual school, the grievant, through the UNION, may appeal to the Chief Executive Officer or the Director of Employee Engagement or his or her designee. Copies of the original grievance, the appeal and any decision rendered shall be forwarded to the Director of Employee Engagement with the request for review

3-7.2. Notice of Conference. The Chief Executive Officer or the Director of Employee Engagement or his or her designee shall meet within ten school days with the grievant, his or her UNION representative, if any, and the principal or head administrator. The Chief Executive Officer or his or her designee will give all participants three school days' notice of the time and place of the meeting in writing. By mutual consent, the parties may conduct the meeting via electronic means including, but not limited to, video-, virtual- and tele-conferencing.

3-7.3. Scheduling of Conference. Conferences held under this grievance procedure shall be scheduled at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend, including witnesses. The UNION shall have the right to be present at each stage of the grievance procedure and to present its views and introduce ev-

idence. Every effort shall be made to hold such conferences during the school day and when held during the school day all participants shall be entitled to attend without loss of pay.

3-7.4. Witnesses. The UNION may present up to two witnesses, in addition to the grievant(s), at a grievance meeting at the Central Office level. Additional witnesses shall be allowed with the Chief Executive Officer's or his or her designee's permission. If witnesses are called at the grievance meeting, the Chief Executive Officer may require that the hearing be conducted via electronic means (e.g., video conferencing or telephonically).

3-7.5. Communication of Decision. The Chief Executive Officer or the Director of Employee Engagement or his or her designee shall issue a written decision and communicate the same and the bases for the decision to the parties involved within twenty school days after completion of the conference.

3-8. General Provisions.

3-8.1. Procedures for Certain Grievances That Are Not Under the Jurisdiction of a Principal or Head Administrator.

3-8.1(a). *Initial Processing*. Any grievance based upon the action of an authority higher than the principal shall be initiated directly with the Office of Employee Engagement whose decision thereon shall be rendered within fifteen school days. The grievance must specify the complaint(s) and/or violation(s) alleged, a brief statement of facts sufficient to allow a response and any documentation which may expedite the resolution of the grievance. Within fifteen school days after receiving the decision of the Office of Employee Engagement, the grievant may then appeal the decision of said office to the Chief Executive Officer, by requesting, in writing, a meeting with the Office of Employee Engagement, acting as the representative of the Chief

Executive Officer. Copies of the grievance and the decision shall accompany the appeal forwarded to the Office of Employee Engagement.

3-8.1(b). *Conference and Issuance of Decision.* The Chief Executive Officer or the Director of Employee Engagement or his or her designee shall meet within ten school days with the concerned parties who will be given two school days' notice of the time and place of the conference. The Chief Executive Officer or the Director of Employee Engagement or his or her designee shall make a written decision and communicate the same to the parties involved within ten school days after completion of the conference. Decisions of the Chief Executive Officer or the Director of Employee Engagement or his or her designee may be appealed to arbitration under Article 3-10.

3-8.2. Initiation at Higher Step. The UNION may initiate or appeal a grievance at any step of the grievance procedure.

3-9. Grievance Mediation.

3-9.1. Neutral Grievance Mediators. The BOARD and the UNION shall establish a permanent panel of four neutral grievance mediators. Mediators may be removed from the permanent panel by written notice from one party to the other requesting removal. Cases pending before a removed mediator shall not be affected. The parties shall make every effort to agree upon a substitute mediator.

3-9.2. Grievance Mediation Panel Meetings and Authority.

3-9.2(a). *Mediation Panel.* Either the UNION or the BOARD may request that a grievance be submitted to mediation. Grievances submitted to mediation shall be submitted to a five-person mediation panel consisting of a mediator selected by the parties and

two permanent representatives designated by each party. One of the BOARD's representatives shall be a current or former principal. The parties shall establish regular meeting dates for the mediation panel, occurring no less often than twice per month or more frequently as is necessary to ensure that all grievances submitted to mediation are heard within six months of the grievance filing date.

3-9.2(b). *Submission to Mediation.* Within five school days of the selection of a mediator, the parties will contact the mediator directly and notify the mediator of his or her appointment, request available mediation dates and mutually agree to a mediation date. At least seven calendar days before the mediation session, the mediator shall mail notice of the date, time and place of the session to the BOARD and the UNION. The mediator for good cause shown may postpone the mediation session or extend any period of time upon request of a party or upon his or her own initiative and shall postpone the session or extend any period of time upon mutual agreement of the parties. Prior to the mediation session, the BOARD and the UNION will submit to the mediator all relevant grievance documents for the grievance or grievances to be addressed at that session. Mediation sessions will be conducted upon request of the BOARD or the UNION on an as needed basis.

3-9.2(c). *Recommendations and Resolutions.* If appropriate, the mediation panel may make recommendations for resolution to the Chief Executive Officer and the UNION President. If the Chief Executive Officer and UNION President mutually agree to a resolution for a specific grievance, that agreement will be reduced to writing, executed by the parties and implemented. All resolutions shall be non-precedential and not cited in any arbitration case or labor board, administrative or judicial proceeding. In the event of a resolution, the griev-

ance will be withdrawn with prejudice.

3-9.3. Lack of Resolution. If the parties cannot mutually agree to a resolution, they may mutually agree to table and further mediate the grievance at a subsequent mediation session. Absent a resolution or an agreement to table the grievance, the grievance will proceed to arbitration. Any grievance agreed to be submitted to mediation (other than under Article 29-4 or 29-5) and not considered by the mediation panel within sixty school days after the request for mediation will be submitted to arbitration.

3-9.4. Requests for Grievance Mediation Simultaneous with Arbitration Demand. Simultaneously with a demand for arbitration under this Article, the UNION may submit a written request for mediation to the Director of Employee Engagement. The grievance will proceed to mediation unless the Director of Employee Engagement notifies the UNION, in writing, within ten school days that the BOARD does not agree to submit the grievance to mediation. Within ten school days of receiving the UNION's demand for arbitration of a particular grievance, the Director of Employee Engagement may request, in writing, that the grievance be submitted to mediation. Any such grievance will proceed to mediation unless the UNION notifies the Director of Employee Engagement, in writing, within ten school days that it does not agree to submit the grievance to mediation.

3-9.5. Availability of Mediation Procedures. The UNION and the BOARD may at any time agree to use the mediation procedures of this Section to assist in the resolution of grievances.

3-10. Arbitration.

3-10.1. Permanent Panel. The parties shall establish a permanent panel of ten arbitrators to conduct hearings and to issue final and binding awards on grievances. Arbitrators shall have no jurisdiction to hear

disciplinary matters except as specifically set forth in this Agreement. Arbitrators may be removed from the permanent panel by written notice from one party to the other requesting removal. Cases pending before a removed arbitrator shall not be affected. The parties shall make every effort to agree upon a substitute arbitrator. In no event may the arbitration panel be fewer than seven arbitrators.

3-10.2. Demand for Arbitration. Within fifteen school days after receiving the decision of the Chief Executive Officer or the Director of Employee Engagement or his or her designee, pursuant to Article 3-7 or 3-8, the UNION only may file a demand for arbitration with the Director of Employee Engagement. Within fifteen school days thereafter, the parties will mutually agree to an arbitrator for that grievance, selecting from the permanent panel. If the parties cannot mutually agree upon an arbitrator, then the arbitrator shall be selected through a striking process with the UNION striking first and then the BOARD until one arbitrator remains. Within five school days of selection of an arbitrator, the parties will contact the arbitrator directly and notify the arbitrator of his or her appointment, request available hearing dates and mutually agree to a hearing date. At least seven calendar days before the hearing, the arbitrator shall mail notice of the date, time and place of the hearing to the BOARD and the UNION. The arbitrator for good cause shown may postpone the hearing or extend any period of time upon request of a party or upon his or her own initiative and shall postpone the hearing or extend any period of time upon mutual agreement of the parties.

3-10.3. Subpoenas in Arbitration. Whenever the UNION requests the issuance of subpoenas for the appearance of witnesses at an arbitration hearing, the UNION shall immediately forward copies of such requests to the Director of Employee Engagement. The UNION shall agree to pay the full cost of substitute service for the bargaining unit employee required to

appear as a witness at said arbitration hearing.

3-10.4. Decisions and Awards. Within sixty calendar days after the closing of the record, the arbitrator shall render a decision and opinion. The decision shall be final and binding on the parties. The cost of the arbitrator shall be equally shared by the parties.

ARTICLE 27

CLASS COVERAGE

27-1. Day-to-Day Substitutes.

27-1.1. Staffing. The BOARD shall hire and maintain additional day-to-day substitutes in addition to the nine hundred previously agreed upon to cover the classes of absent teachers so that educational programs in elementary schools, middle schools, education and vocational guidance centers and high schools shall not be curtailed. In removing the ceiling heretofore in effect, it is agreed that the BOARD will diligently utilize all possible means to hire and assign up to three hundred of such additional substitutes.

27-1.2. List of Day-to-Day Substitutes. The BOARD agrees to maintain a list of day-to-day substitutes who wish to make themselves available for work.

27-1.3. Day-to-Day Substitutes Availability to Work. Day-to-day substitutes shall indicate their availability for work on a given school day by contacting the substitute center prior to 5:00 p.m. on the preceding school day or between 6:00 a.m. and 7:00 a.m. on that given school day.

27-2. Cadre.

27-2.1. Establishment of Cadre and Assignments of

Cadre Substitutes. Effective July 1 of each year, the BOARD shall establish a Cadre to which it will select and assign Cadre substitutes for each school year to cover the classes of absent teachers in the early childhood centers, elementary schools, middle schools, upper grade centers and high schools. On all student attendance days through November 1, when the number of teachers absent is less than three hundred, the remaining Cadre substitutes shall be sent to those schools which the BOARD identifies as having the greatest instructional needs. On all student attendance days after November 1, when the number of teachers absent is less than three hundred, the remaining Cadre substitutes shall be sent to the schools which the BOARD identifies as having the greatest instructional needs. Cadre substitutes may be deployed on a day-to-day basis or may be assigned to a particular school to provide daily substitute services.

27-2.2. Employment Criteria. The Talent Office shall establish criteria to be used in the selection and retention of Cadre substitutes. The Cadre substitutes selected by the BOARD shall be employed on all student attendance days during the time they are assigned to the Cadre other than on the final day of the school year. Said Cadre substitutes shall be continuously available to perform substitute service. Further, they shall accept all assignments in any and every school.

27-2.3. Eligibility to Become TATs. Cadre substitutes are eligible to become TATs. Whenever a Cadre substitute becomes a TAT, a replacement for the Cadre substitute shall be employed immediately. If a Cadre substitute who becomes a TAT is subsequently released as a TAT for reasons other than unsatisfactory service, said TAT shall be reassigned to the Cadre in accordance with Article 38-2.

27-2.4. Staffing. The number of Cadre substitutes shall not fall below nine hundred. Every effort shall be made to recruit Cadre substitutes who meet the needs

of students who are English Language Learners.

27-2.5. Compensation and Benefits. Cadre substitutes shall be paid the daily rate set forth in Appendix A-1J. The provisions of Article 44-2 shall not apply to required in-service training for Cadre substitutes up to a limit of three such sessions of up to two hours per session. Except as provided in Appendix B, the BOARD agrees to pay the cost of individual health insurance for each Cadre substitute. A full-time Cadre substitute shall have the option of purchasing at the Cadre substitute's own expense family plan hospitalization and major medical insurance coverage at the group rate during the period said Cadre substitute is assigned to the Cadre. A Cadre substitute shall receive holiday pay provided he or she is present and serves as a teacher on the school day immediately before and after the holiday. Any and all benefits associated with duty in the Cadre are limited to those enumerated in this Article.

27-3. Using Appointed Teachers or TATs to Provide Class Coverage. The BOARD agrees, in principle, that no teacher shall be requested to assume responsibility for students from classrooms of absent teachers when substitutes are unavailable. In elementary schools, middle schools, education and vocational guidance centers and high schools, at no time should special education classes nor special programs, such as library, physical education, shop, TESL, bilingual or special reading classes, be discontinued so that substitute service may be performed by teachers of these programs, except in the case of emergencies, in which case the above teachers shall be subject to last call after available non-teaching certificated personnel have been assigned.

27-4. Reporting Absences. Teachers shall report their anticipated absences to the substitute center as early as possible in order to enable substitute teachers to arrive in the school before the beginning time of the teachers' work day. Teachers shall also report their anticipated absences to the school no later than their reporting time. If the teachers cannot report because the telephone lines are

Date visited: October 4, 2016

busy or similar such occurrences, the teachers shall report as soon thereafter as possible.

27-5. Rescheduling of Preparation Periods Due to Class Coverage. The BOARD agrees, in principle, that teachers, during their duty-free professional preparation periods, shall not be requested to take the class of an absent teacher. Whenever a teacher's duty-free professional preparation period is canceled, the principal shall schedule a make-up duty-free professional preparation period for that teacher at a future time.

27-6. Class Coverage During In-Service Meetings and Workshops. A substitute shall be provided to cover the classes of classroom teachers required by the BOARD to attend BOARD-sponsored workshops or BOARD in-service meetings when held during the regular school day.

27-7. Substitute Coverage for Teacher Assistants in Early Childhood Centers. The BOARD will provide substitute coverage for teacher assistants in early childhood centers who are absent.

27-8. Bilingual Substitutes. The substitute center shall maintain a list of bilingual substitutes and shall make every effort to provide a bilingual day-to-day substitute in the case of the absence of the bilingual teacher.

27-9. Substitute Coverage During Mandated Testing. Where necessary and on an as needed basis, a principal shall provide substitute coverage for teachers engaged in one-on-one required testing (e.g., DIBBELS) and for teachers providing modifications or accommodations to students with disabilities during testing.

28 at the primary level

31 at the intermediate level and upper grade level

20 in the education and vocational guidance centers
(if any)

1. The number of classroom teaching positions provided to each elementary school will generally be determined as follows:
 - a. The total number of intermediate and upper grade students will be divided by 31 on a whole number basis (i.e., the division will not be extended to a decimal place). If the division is uneven, then the remaining students will be included in the primary membership;
 - b. The total number of primary students will be divided by 28 extended to one decimal place, and rounded up to the nearest whole number;
 - c. The total number of kindergarten students will be divided by two, extended to one decimal place, and rounded up to the nearest whole number; this number will then be divided by 28, extended to one decimal place, and rounded up to the nearest half (0.5) number;
 - d. The sum of (a), (b) and (c) represents the total number of teaching positions that will be provided to each elementary school;

- e. Teachers assigned to the Intensive Reading Improvement Program or to bilingual programs will not be counted as part of the number provided to implement the maximum class size program in each school.
2. The total number of education and vocational guidance center students (if any) will be divided by 20, extended to one decimal place, and rounded up to the nearest whole number.

B. Organization

1. Elementary Schools With Space Available

In those elementary schools in which space is available, the maximum number of students in classes will generally be as follows:

27-29 in kindergarten classes

27-29 in primary grade classes

30-32 in intermediate classes and upper grade classes

Implementation of these class sizes in specific schools may result in problems relating to class reorganization, single section classes, split grades, and installation of experimental programs. Local school deviations from the class sizes indicated above may be made by the principal, after consulting the Professional Problems Committee and the teachers involved, when necessary to implement special programs for instructional improvement or to meet special needs of the particular school.

2. Elementary Schools Without Space Available

In those elementary schools in which space is unavailable to organize classes as indicated above, the additional teachers provided under the staffing in (A) will share the curriculum planning, instructional responsibilities, and all

Date visited: October 4, 2016

other related duties of teachers. Said additional teachers will be programmed in such a way as to provide for maximum teacher-student contacts on a regularly scheduled basis to share the instructional load of the classroom teachers. Said additional teachers should not be used primarily for:

administrative assistance

building security purposes

clerical or office-type tasks

discipline purposes

substituting

lunchroom duty

playground duty

guidance purposes-adjustment and counseling

3. All schools will be designated as schools with space available or schools without space available. Five periodic reports will be prepared during the school year and will include the following:
 - a. a listing of the names of the schools where space is available;
 - b. listing of the names of the schools where space is not available and where additional teachers have been assigned.
4. Elementary schools without space available and where additional teachers have been assigned will:
 - a. receive first priority in the assignment of Cadre and day-to-day substitute teachers;
 - b. have physical education teachers and teacher-librarians assigned based on the number of teaching positions, with each kindergarten class counted as one position.

II.HIGH SCHOOL STAFFING AND ORGANIZATION*

A. The maximum number of students in the classes indicated below will generally be as follows:

English (regular, honors and advanced placement)	28
English (essential or basic).....	25
Mathematics (regular, honors and advanced placement).....	28
Mathematics (remedial).....	25
Foreign Language	28
Social Studies.....	28
Business Education	28
General Science—Science Laboratory	28
Home Economics—Non-Laboratory	28

If essential or basic students are programmed in the same English or mathematics class with regular or honors students, the maximum class size will generally be 25 students.

Implementation of the policy on class sizes in specific schools may result in problems relating to individual class sizes, single section classes, installation of experimental programs, scheduling of special subject classes, and class organization and reorganization. Local school deviations from the class sizes indicated above may be made by the principal, after consulting the Professional Problems Committee and the teachers involved, when necessary to implement special programs for instructional improvement or to meet special needs of the particular schools. The total number of subject matter students assigned to each teacher should not exceed the number of subject classes multiplied by the maximum class size for the given subject indicated.

B. The number of students assigned to teachers indicated below will generally be determined by multiplying the number indicated next to the subject by the number of classes in the given subject.

28-2. Enforcement of BOARD Policy on Class Size. Section 301.2 of the *Chicago Public Schools Policy Manual* (Class Size) shall be enforced only through the joint BOARD-UNION Class Size Monitoring Process established in Article 28-3.

28-3. Class Size Monitoring Process. One or more joint BOARD-UNION panels shall be established to monitor concerns regarding class size brought to its attention by the UNION. Each panel shall be composed of up to two former teachers, up to two former principals and a representative of the Office of Employee Engagement and shall meet on a bi-weekly basis. When the panel investigates a referral from a school, the panel shall promptly notify the Local School Council, and a parent representative chosen by the Local School Council may join the panel. Each panel shall have authority to make recommendations to the Chief Executive Officer with a copy submitted to the UNION President to resolve class size concerns, including, but not limited to, the following: assignment of a teacher assistant, addition of an extra preparation period, reorganized classes or class schedules, additional compensation, additional positions, staggered starting and ending class times, modified school boundaries, establishment of alternative sites and institution of multi-age groupings, split shifts or controlled enrollment. The BOARD agrees to commit \$500,000 each Fiscal Year to fund the costs associated with implementing the Class Size Supervisory Committee's recommendations that are adopted by the BOARD and the UNION, which shall be used to reduce class size

by at least one student in identified kindergarten and first grade classes in neighborhood elementary schools.

ARTICLE 29

EMPLOYEE DISCIPLINE

29-1. Employee Discipline. The BOARD, the Chief Executive Officer and their respective designees shall discipline employees only for just cause.

29-2. Discipline of and Disciplinary Procedures for Appointed Teachers, Temporarily Assigned Teachers and PSRPs.

29-2.1. Progressive Discipline Defined. The parties embrace the concept of progressive and corrective discipline for employees. Progressive discipline is a systematic approach to correct unwanted behavior and deter its occurrence by administering disciplinary actions based upon various factors, including but not limited to: (a) the seriousness of the misconduct; (b) the number of times it has occurred; (c) prior acts of misconduct; (d) the attitude and cooperation of the employee; (e) the employee's work history; and (f) the totality of the circumstances. Toward that end, the following disciplinary process and forms of discipline shall be used for appointed teachers, temporarily assigned teachers and PSRPs.

29-2.2. First Step—First Warning Notice (Corrective Action Notice). The principal or head administrator invites the employee to a private meeting in writing to have a formal conversation to discuss the particular discipline matter. The meeting is between the principal or head administrator and the employee. After the meeting, the principal or head administrator will serve the employee with a First Warning that memorializes the meeting, the nature of the misconduct and sets forth the improvement needed. The First Warning shall be issued within ten school days of the meet-

ing. If the employee disagrees with the First Warning, the employee may submit a written rebuttal, which shall be included in the employee's disciplinary file and copied to the UNION, and which will be reviewable should the discipline be escalated to a Final Warning in Lieu of Suspension or dismissal decision.

29-2.3. Second Step—Second Warning Notice. In the event that the employee commits the same unwanted behavior after being afforded a reasonable period of time for correcting the behavior but within twelve months of the delivery of a First Warning, the principal or head administrator shall serve the employee with the Pre-Meeting Second Warning notice and any supporting documents that evidence the misconduct. This notice also sets a date and time for a private meeting to occur between the principal or head administrator and the employee. After the meeting, if appropriate, the principal or head administrator will serve the employee with a Second Warning that memorializes the meeting, the nature of the misconduct and sets forth the improvement needed. The Second Warning shall be issued within ten school days of the meeting. If the employee disagrees with the Second Warning, the employee may submit a written rebuttal, which shall be included in the employee's disciplinary file and copied to the UNION. Second Warnings are not reviewable except in the context of a review of a Final Warning in Lieu of Suspension or dismissal decision.

29-2.4. Third Step—Final Warning in Lieu of Suspension. In the event that the employee commits the same unwanted behavior after being afforded a reasonable period of time for correcting the behavior but within twelve months of the delivery of a Second Warning Notice, the principal or head administrator shall serve the employee with the Pre-Meeting Final Warning in Lieu of Suspension notice and any supporting documents that evidence the misconduct. This notice also sets a date and time for a private meeting to occur between the principal or head administrator and the em-

ployee. After the meeting, if appropriate the principal or head administrator will serve the employee with a Final Warning in Lieu of Suspension that memorializes the meeting, the nature of the misconduct and sets forth the improvement needed. The Final Warning in Lieu of Suspension will be issued within ten school days of the meeting.

29-2.5. Fourth Step—Dismissal. The Chief Executive Officer or the BOARD may dismiss an appointed teacher or a temporarily assigned teacher when he or she fails to adhere to a Final Warning In Lieu of Suspension or when he or she engages in misconduct for which dismissal is the appropriate discipline. When a principal, head administrator or Chief Executive Officer seeks dismissal of probationary appointed teachers or temporarily assigned teachers, the BOARD shall afford the employee with a pre-dismissal conference in the Talent Office of Employee Engagement before making a final decision or recommendation to dismiss is made. If the Chief Executive Officer seeks discharge of a tenured teacher, the Chief Executive Officer shall follow the requirements of Section 34-85 of the *Illinois School Code*.

29-3. UNION Representation. In all steps of progressive discipline, if the employee chooses to have UNION representation at the meeting, it is the employee's responsibility to contact his or her UNION representative and secure his or her attendance at the meeting. An employee requesting UNION representation will be allowed a reasonable amount to time to secure representation before the disciplinary meeting begins. When a UNION representative is present at a disciplinary meeting, the principal or head administrator shall have the right to have an observer present as well.

29-4. Review of Discipline—Appointed Teachers and Temporarily Assigned Teachers. Within fifteen school days of its receipt by the employee, appointed teacher and temporarily assigned teacher Warnings in Lieu of Suspension

shall be submitted to mediation under Article 3-9, if requested by the UNION. The mediation panel and procedures outlined in Article 3-9 shall be employed when the UNION requests mediation, except that the neutral mediator shall issue a final and binding decision resolving the dispute if the parties are not able to reach agreement on a resolution.

29-5. Review of Discipline and Dismissal for PSRPs. Non-probationary PSRP Warnings in Lieu of Suspension may be submitted to mediation under Article 3-9 exclusively upon request of the UNION. Non-probationary PSRP dismissals shall be submitted to grievance arbitration under Article 3-10 if requested by the UNION, or alternatively, shall be submitted to mediation under Article 3-9, exclusively upon request of the UNION. The mediation panel and procedures outlined in Article 3-9 shall be employed when the UNION requests mediation, except that the neutral mediator shall issue a final and binding decision resolving the dispute if the parties are not able to reach agreement on a resolution.

29-6. Professional Administration of Disciplinary Policies and Procedures. In all steps of progressive discipline, all persons shall treat the others with dignity and respect. The principals or assistant principals shall not reprimand a teacher or other bargaining unit employee in the presence of his or her colleagues, other teachers and bargaining unit employees, students or parents. Reprimands and criticism shall be made only in a place ensuring privacy.

29-7. Notices to Employee and UNION. When a bargaining unit employee receives a pre-meeting notice or disciplinary action, a copy of the notice or principal's discipline summary shall be promptly provided to the bargaining unit employee and the UNION.

29-8. Anonymous Complaints. The BOARD shall not issue discipline to any bargaining unit employees based solely on an anonymous complaint.

29-9. Stale Discipline. The BOARD shall not rely on active

employees' records of disciplinary action for any labor relations purposes, nor shall such records be shown or indicated to principals by the BOARD, three years after the issuance of the disciplinary action, provided that nothing in this Section shall be construed to prevent or limit a principal from relying on or viewing any disciplinary records of former employees seeking to be rehired as BOARD employees.

ARTICLE 30 STUDENT DISCIPLINE

30-1. Discipline Referrals.

30-1.1. Request for Exclusion from Class. A teacher, upon written notice to the principal or the principal's designee, and upon receipt of written instruction of where the student is to be sent, which the principal or the principal's designee shall send immediately, may exclude from class a student who seriously disrupts the orderly educational process as defined by the *Student Code of Conduct*.

30-1.2. Completion of Uniform Student Discipline Referral Form. Whenever a student is excluded from class, the teacher will confer with the principal, or the principal's designee, to provide the necessary information concerning the student and shall provide a complete written statement of the problem within twenty-four hours, which shall be via the uniform student discipline referral form. Said written statement via the discipline referral form shall include a summary of any informational background or prior action taken by the teacher relative to the student's behavioral problems.

30-1.3. Reinstatement of Student. The principal or the principal's designee will only reinstate the student after a conference on classroom conduct and school

rules which will be held on non-instructional time and must include the teacher.

30-2. Conference Following Three Written Referrals. After a total of three written referrals for a student causing serious disruption as defined by the *Student Code of Conduct*, the principal or the principal's designee shall have the student, parent or legal guardian and teacher or teachers involved attend a conference on classroom conduct and school rules. The school shall be represented at this conference by the principal or the principal's designee. If the teacher or teachers involved and the principal or the principal's designee agree that a procedure other than a parental conference would be most beneficial to the student or is required by law, that procedure may be substituted. This shall be a prerequisite to returning the student to class. The principal or the principal's designee will provide the referring teacher or teachers with a copy of the misconduct report or, if none, orally advise the referring teacher(s) of the disposition.

30-3. Commencement of Disciplinary Procedures. If the student continues to cause serious disruption as defined by the *Student Code of Conduct*, the principal shall commence disciplinary procedures in accordance with the *Student Code of Conduct*. When a student has been suspended, the principal, or the principal's designee, and the teacher will take the necessary steps to continue the diagnostic review with the appropriate members of staff to attempt to determine the basic cause of the student's behavioral problem and the corrective measures to be taken.

30-4. Notification of Police. Principals, or their designees, shall notify the police in case of serious school-related offenses including, but not limited to, extortion, possession of narcotics, possession of alcohol, arson or attempted arson, serious theft, serious vandalism, false reports of fire or bombs, possession or use of weapons, assault or battery on an employee and reported instances of trespassing. Trespassing is defined as presence without invitation or consent of one in legal possession of the

property. Nothing in this Section shall be construed to prohibit a teacher or PSRP who has been the victim of a school-related offense from independently notifying the police of the offense.

30-5. Student Disciplinary Records. A continuous record of student discipline cases shall be maintained by the principal or the principal's designee and shall be available in the school office for use by the assistant principal, the student's classroom teachers, counselor, truant officer, psychologist, social worker and school nurse when needed.

30-6. Improvement of Disciplinary Policies and Procedures. The BOARD, through its principals and other administrators, agrees to work with bargaining unit employees, parents and appropriate agencies in seeking solutions to school and classroom discipline problems within the applicable provisions of the *Illinois School Code*, the *Rules of the Board of Education* and the *Chicago Public Schools Policy Manual*.

30-7. Responsibility for Maintaining Student Discipline. All other bargaining unit employees shall continue to assist teachers in the maintenance of proper standards of student behavior on the school premises during recess, passing periods and at times of student entrance and dismissal.

30-8. Availability of Disciplinary Policies and Procedures. Each local school principal, or the principal's designee, shall have available for day-to-day substitutes local school discipline procedures to be followed by day-to-day substitutes. Day-to-day substitutes, upon reporting for duty, shall request this information from the principal or the principal's designee.

 - ii. where the recommendations of the Labor-Management Cooperation Committee on health care are implemented as recommended and fail to result in cost containment or savings as measured by an increase in health insurance related costs over the prior benefit (calendar) year.

If any one of the foregoing events or conditions occurs, either party to this Agreement has thirty days to notify the other party of its intent to reopen this Agreement in

order to negotiate the health plan. Should either party elect to reopen negotiations pursuant to this provision, it shall submit written notice to the other party. The *status quo* shall remain in effect unless otherwise agreed to.

The BOARD shall develop procedures for individuals to opt-out of the Wellness Program, and opt-out decisions will be made at the time of enrollment or at the BOARD’s annual Benefits Open Enrollment.

32-7.3. Elements of Wellness Program. The Wellness Program will be designed as follows: (a) provide annual and periodic health risk questionnaires and biometric assessments for covered individuals by a

Said extension will be limited to five school months, and the teacher must pass a health examination by a medical examiner of the BOARD before returning to teaching.

33-2.2. The replacement of a TAT by a certified teacher or by another temporarily certified teacher in the position occupied by said teacher shall not affect the leave as far as eligibility for sick leave pay is concerned.

33-2.3. Leaves of absence may also be granted, without pay, except as provided in the sick pay rule, to any TAT who shall file a written request for leave with the Talent Office because of the serious illness of a member of the immediate family, that is, one who resides with or is supported by such teacher. Such leaves may not exceed five school months within two consecutive school years, provided, further, that such leaves shall automatically expire with the expiration of their temporary certificates at the end of June with the close of the school term.

Date visited: October 4, 2016

for an appointed teacher for travel or study, the absence shall not be construed as a break in service so far as seniority is concerned, and the position shall be held open as provided by Board Rule 4-15(b).

33-6. Conference Leave. Bargaining unit employees, including any selected by the UNION, may be granted leave with the approval of the Chief Executive Officer and with authorization from the BOARD to attend, without loss of salary, conferences, meetings, workshops or conventions of professional organizations which in the judgment of the Chief Executive Officer are beneficial or related to the work of the schools, or a commencement exercise at which a degree is being conferred on the employee. Such leave to attend a commencement exercise shall be limited to one day.

33-6.1. When a bargaining unit employee applies for a leave under the provisions of Board Rule 4-14(e), pertaining to leave to attend conferences, the application shall be accompanied by a self-addressed, stamped envelope. The Chief Executive Officer shall have the authority, subject to the approval of the BOARD, to grant child-rearing leave. A child-rearing leave taken subsequent to the effective date of this Agreement shall be for a period of not more than four years from the date on which such leave becomes effective. Continuous child-rearing leaves shall not exceed eight years. The teacher's position shall be held open during the first period of ten successive school months of child-rearing leave or to the end of the semester immediately following said ten months upon the written request of the teacher for such extension, subject to the approval of the BOARD. Upon the expiration of such period of time, if the teacher thereafter does not return, the teacher's position shall be declared vacant, provided, however, that upon reporting for duty at the expiration of the child-rearing leave, the teacher shall be eligible for immediate assignment. Child-rearing leave may be terminated before the expiration of ten successive school months upon the written request of the teacher.
- C. PSRP Parental Leave. PSRPs may take a parental leave of up to five school months provided that they are eligible for a parental leave under the

Date visited: October 4, 2016

33-73. A teacher on child-rearing leave may be permitted to serve as a day-to-day substitute at the daily rate paid such a teacher, except when a teacher granted such a leave shall be eligible for sick pay. A teacher so employed as a day-to-day substitute will not be permitted to count such employment to extend the leave nor for purposes of salary adjustment.

33-8. Extended Day Programs. Teachers on extended-day programs, including eight-hour-day positions and regularly scheduled classes authorized on an overtime basis (but not including classes established after regular school hours to supplement the regular program, such as after-school classes in reading and arithmetic, driver training programs, evening school programs and social center programs), will be entitled to extended-day pay when absent if entitled to sick pay for the normal school day under the provisions of Board Rule 4-11.

33-9. Notification to Principal of Return. Except in circumstances beyond the teacher's control, each teacher who has been absent, or the teacher's designee, shall notify the principal of his or her return by 2:00 p.m. of the day prior to said return.

33-10. Workers' Compensation Act. Appointed teachers and PSRPs who are on a personal illness leave due to an injury that is covered by the *Workers' Compensation Act* shall not have their service interrupted for salary purposes, nor shall their absence be construed as a break in service.

33-11. Personal Illness Leave. In a case of absence exceeding ten consecutive school days due to personal illness, a full-time appointed teacher shall apply for and secure a per-

sonal illness leave of absence. Such leave shall not exceed ten school months nor be in excess of a total of ten school months in any two consecutive school years. The teacher's position shall be held open for ten school months or to the end of the semester immediately following said ten school months upon the written request of the teacher for such extension at least two weeks before the leave expires. Thereafter, the position shall be declared vacant, but the teacher, upon reporting for duty at the expiration of such extended leave, shall be eligible for immediate assignment, and, if not placed in an assignment, shall be placed in the reassigned teacher pool.

Extended sick leave shall be granted at the discretion of the Chief Talent Officer whose decision shall not be subject to further review.

Additionally, upon request, the BOARD shall provide bargaining unit employees with a printout of electronic personnel information in accordance with applicable law. Such requests shall not be honored during the two weeks prior to the opening of the school term in September nor during the first two weeks of the school term, due to the work load of the Talent Office at these particular times.

34-2. Grievance Matters. No matters pertaining to the grievance procedure shall be included in the bargaining unit employee's personnel file, unless so requested by the employee. No derogatory statement about a bargaining unit employee originating outside of the Chicago public school system shall be placed in the employee's personnel file, provided, further, that any official report or statement originating within the Chicago public school system may be placed in the employee's personnel file only if the employee is sent a dated copy thereof at the same time. The employee may respond and such response shall be attached to the filed copy.

34-4. Exchange of Documents Prior to Conferences. Such salary schedules and provisions contained in Appendix A are hereby made a part of this Agreement.

36-2. **Conversion of Salary to Hourly Rate.** For the purpose of prorating an employee's salary to an hourly rate, no distinction shall be made between elementary, middle and high school teachers or clinicians. Hourly rates shall be determined by using 7 hours as the base length of the day and 6.25 hours as the base duty day, regardless of the fact that high school teachers have a 7.25-hour base length of the day and a 6.42-hour base duty day.

36-3. Payroll Procedures.

36-3.1. Payroll Cycle. All bargaining unit employees shall be on the same payroll cycle.

36-3.2. Payroll Periods. A payroll period is a fourteen-calendar-day period commencing on a Sunday and ending on the second Saturday following such Sunday. Bargaining unit employees shall be paid for each payroll period on the Friday that follows thirteen days after the end of such payroll period.

36-3.3. Pay Plan. Effective beginning with the 2013-2014

work year, the BOARD shall cease its deferred pay plan. The BOARD shall develop a transition plan by December 31, 2012 and shall bargain with the UNION over the impact of the transition, including the impact on employees in Track E schools. All deductions shall be prorated over each payroll period over the course of the work year. The BOARD and the UNION shall develop and implement an employee communication and resources plan to assist employees who plan to establish personalized deferred pay accounts with their own banks or financial institutions that will allow them to direct a portion of their compensation into a savings or other account to be available during unpaid break periods.

36-3.4. Payroll Schedule. For each Fiscal Year, the BOARD shall publish a payroll schedule that will reflect the pay dates for each payroll period and a concomitant schedule for deductions.

36-3.5. Payroll Corrections. Principals and head administrators shall submit payroll corrections immediately upon verification of a payroll error. Salary adjustments shall be remitted to the teacher as soon as practicable and no later than the next payroll period.

36-4. Pension Pick Up.

36-4.1. Amount of Pick Up. The BOARD shall pick up for each teacher and other bargaining unit employee a sum equal to seven percent of the amount due each such employee as set forth in this Article and in the annual salary schedules set forth in Appendix A-1A through A-1D and A-1F through A-1H (except for Appendix A-1K(i) and A-3E) for the Public School Teachers' Pension and Retirement Fund of Chicago and the Municipal Employees', Officers' and Officials' Annuity and Benefit Fund to be applied to the retirement account of each such employee (not the survivors' annuity account).

36-4.2. Claim to Funds Picked Up. The employee shall have no right or claim to the funds so picked up, ex-

cept as they may subsequently become available upon retirement or resignation from the Public School Teachers' Pension and Retirement Fund of Chicago and the Municipal Employees', Officers' and Officials' Annuity and Benefit Fund, or as provided under the laws governing the above two pension funds.

36-4.3. Indemnification. The BOARD does not warrant that the payments made by the BOARD for the employees as set forth above are permissible prior to January 1, 1982, or that any of such payments are excludable from the employees' gross wages, and as such, the UNION and each individual bargaining unit employee shall and does hereby agree to indemnify and hold harmless the BOARD and its members, officers, agents and employees from and against any and all claims, or liability by reason of payments of said contributions to the Public School Teachers' Pension and Retirement Fund of Chicago and the Municipal Employees', Officers' and Officials' Annuity and Benefit Fund made pursuant to the provisions of this Article. This pension pick up will not constitute a continuing element of compensation or benefit beyond Fiscal Year 2015 or 2016 should this Agreement be extended for one year.

36-4.4. Subjects of Negotiations for Future Years. All terms and conditions of employment for future years, including without limitations, salaries, benefits and pension pick up, are the subject of negotiation for those years.

36-5. 2.2% Pension Legislation. Commencing with Fiscal Year 2000, the additional pension contributions of teachers as a result of the "2.2% legislation" shall be made on a pre-tax basis pursuant to Section 414(h) of the *Internal Revenue Code*. For the purposes of Section 414(h) of the *Internal Revenue Code*, such contributions will be treated as employer contributions, and it is recognized that employees do not have the option to receive such contributions in cash. This agreement is for the purpose of making such additional pension contribution pre-tax for the em-

ployee. Contributions will be deducted from employees' salaries and do not constitute an additional "pick up" under Article 36-4.1.

36-6. Step and Lane Adjustments.

36-6.1. Prior Teaching Experience Within CPS. Salary step adjustments based on previous teaching experience in the Chicago public schools shall be made no later than forty-five days from the date proper claim is received in the Talent Office.

Salary lane placement adjustments for Lane II (master's degree) and Lane VI (doctoral degree) shall be made no later than forty-five days from the date proper claim and official transcript certifying completion of all degree requirements are received in the Talent Office. Salary lane placement adjustments for Lane III (fifteen hours of graduate study beyond the master's degree), Lane IV (thirty hours of graduate study beyond the master's degree) and Lane V (forty-five hours of graduate study beyond the master's degree) shall be made no later than forty-five days from the date proper claim and official transcripts verifying successful completion of all course work for the fifteen, thirty or forty-five hours beyond the master's degree are received in the Talent Office. The completion date for the fifteen, thirty or forty-five semester hours of approved graduate credit beyond the master's degree shall be determined by the regionally accredited college or university or the Talent Office.

The annual increment for National Board Certified Teachers set forth in Appendix A-2A shall be paid at

the end of the semester following the teacher's submission of proof of such certification to the Talent Office. The annual increment will be paid in two installments. The annual increment will be prorated to reflect either (i) a shortened work year if the teacher begins working after the start of the school year or resigns prior to the end of the school year or (ii) the teacher's receipt of NBCT certification after the start of the school year.

36-6.4. Responsibility for Submitting Claims and Documentation. In accordance with established policy and procedures, the full burden of responsibility for applying for and submitting claims for adjustment and for filing the necessary documentary proof with the Talent Office to substantiate such claims for adjustment of teacher salaries as provided in Section 302.8 of the *Chicago Public Schools Policy Manual* (Compensation and Pay Plan) (Board Report: 08-0123-PO1) shall rest with the teacher.

36-6.5. Acknowledgement of Receipt of Claim. The BOARD shall acknowledge, in writing, the receipt of each claim within twenty-five days and shall note any deficiency in said claim if, at the time the claim is made, the teacher has provided the BOARD with a stamped, self-addressed envelope.

36-6.6. Lane Placement. Credit for purposes of lane placement shall be granted to teachers for participation in subject-related workshops or training sessions which are conducted by industry and other approved organizations and which have been approved in advance by the BOARD. Requests for such approval shall be given in writing to the Department of Instruction Services and submitted sufficiently far in advance to permit appropriate investigations by the BOARD. A reviewing committee set up by the BOARD shall approve or disapprove promotional credits for particular training sessions or educational programs which do not bear university credit and shall determine credit

36-7. PSRP Bonus. In each year of this Agreement, the BOARD shall make a \$250.00 one-time payment on the payroll date prior to spring recess to those PSRPs who are actively employed by the BOARD on that payroll date. The payment shall not be added to the salary schedule, but shall be pensionable.

36-8. Bonus for PSRPs Who Become Highly Qualified Under *No Child Left Behind Act*. The BOARD shall pay a one-time non-pensionable \$1,000.00 bonus to PSRPs who become highly qualified within the meaning of the *No Child Left Behind Act* and applicable state and federal regulations and who present an Illinois State Board of Education certification of highly qualified status to the Talent Office.

36-9. Direct Deposit. All employees are required to utilize direct deposit for the payment of their salaries and other compensation. The BOARD shall provide a written explanation of a payroll adjustment or change on the direct deposit advice where such adjustment or change occurred. The direct deposit advice shall identify the employee's lane or grade and step placement and the employee's total number of unused sick days.

36-10. Transportation Allowance Payments. Transportation allowance payments shall be received no later than the twenty-first day of each month.

36-11. After-School Rate of Pay.

36-11.1. Non-Instructional Rate of Pay. 37-1. Sick Days Granted On and After July 1, 2012. On July 1, 2012, and each July 1 thereafter, the BOARD shall grant eligible employees one sick day per month, up to twelve sick days per year, based on their anticipated active employment for the next school year. Sick days granted on and after July 1, 2012 that are unused at the end of the Fiscal Year will not be carried over to the next Fiscal Year, except as provided in Article 37-3. The BOARD shall not pay out to any employee the value or any part of the value of any sick days granted on and after July 1, 2012 that are unused at the time the employee separates from employment for any reason.

37-1.1. Sick Day Pay. The pay for one sick day shall be calculated by multiplying the number of hours the employee is assigned per day by his or her regular hourly rate of pay.

37-1.2. New Employee Eligibility. New employees are

Date visited: October 4, 2016

not eligible for sick days during the first sixty calendar days of their employment. After this sixty-day period, such employees shall accrue and be granted sick days retroactive to their dates of appointment.

37-2. Longevity.

37-2.1. Teachers. The BOARD shall credit teachers who are at Step 13 on the salary schedule and who have at least thirteen years of experience with one additional sick day per year. The BOARD shall credit teachers who are at Step 13, or effective July 1, 2008 and thereafter, Step 14, on the salary schedule and who have at least eighteen years of experience with two additional sick days per year.

37-2.2. PSRPs. Effective July 1, 2008 and thereafter, the BOARD shall credit PSRPs who are at Step 6 on the PSRP salary schedule and who have at least thirteen years of experience with one additional sick day per year. Effective July 1, 2008 and thereafter, the BOARD shall credit PSRPs who are at Step 7 of the PSRP salary schedule and who have at least eighteen years of experience with two additional sick days per year.

37-3. Roll Over of Sick Days Granted On and After July 1, 2012.

Sick days awarded on and after July 1, 2012 that remain unused at the end of the Fiscal Year may be rolled over for future use up to a maximum of forty (40) days and may be used for the following purposes: (a) as sick days or for purposes of leave under the Family and Medical Leave Act; (b) to supplement the short-term disability pay in days 31 through 90 to reach 100% income during such period or (c) for pension service credit upon retirement. Sick days accumulated under this Section shall be utilized prior to sick days in the “retained sick day bank” defined in Article 37-4.

37-4. Unused Sick Day Banks Earned Prior to July 1, 2012.

Bargaining unit employees shall retain any bank of unused sick days that the bargaining unit employee accumulated prior to July 1, 2012 in a “retained sick day bank.”

Date visited: October 4, 2016

Employees may use days from their retained sick day bank for the purposes set forth in Article 37-3. Up to 325 retained sick days earned from BOARD employment prior to July 1, 2012 and left unused in the retained sick day bank at the employee's resignation, retirement or death shall be paid out at the employee's rate of pay at the time of the employee's separation based on the following qualifying events and in the following percentages:

Qualifying Event	Percentage of Accumulated Sick Leave To Be Paid Out
Resignation or retirement with 33.95 or more years of service	100%
Resignation or retirement with at least 20 but less than 33.95 years of service.....	90%
Resignation or retirement at age 65 with less than 20 years of service	85%
Employee's Death	100%

37-5. Short-Term Disability Leave. Effective January 1, 2013, the BOARD shall establish a short-term disability and paid maternity leave plan for employees at no cost to employees who are eligible for health care benefits.

37-5.1. Benefits. The short-term disability policy shall provide disability benefits for employee illness in excess of ten consecutive days (including maternity leave days) as follows: (a) one hundred percent of the employee's regular full-time pay for the first thirty calendar days of the employee's disability and/or maternity leave; (b) eighty percent of the employee's regular full-time pay for calendar days thirty-one through sixty of the employee's disability and/or maternity leave; and, (c) sixty percent of the employee's regular full-time pay for calendar days sixty-one through ninety of the employee's disability and/or maternity leave.

37-5.2. Eligibility for Short-Term Disability and Paid Maternity Leave Benefits. Employees are eligible for short-term disability if they satisfy the following requirements: (a) they have been employed for at least sixty calendar days; (b) they have not exhausted ninety

paid calendar days of short-term disability or maternity leave in the preceding twelve-month period; (c) they have exhausted all sick days allotted for the year; (d) they have submitted a qualifying medical certification of their disability or maternity; (e) they are not receiving worker's compensation, victims of violence leave or long-term disability benefits for the disability; and (f) they satisfy any other eligibility requirements to qualify for the benefit approved by the LMCC, which approval shall not be unreasonably withheld.

37-5.3. Employee Benefits During Paid Short-Term Disability Leave. Employees on short-term disability leave may continue their employee benefits [e.g., health, dental, life, or 403(b)] on the same terms as if they were actively employed. Deductions shall be made from short-term disability payments for those benefits.

37-5.4. Coordination with FMLA and Supplemental FMLA Leaves of Absence. Short-term disability leaves and any period of sick leave used immediately preceding the short-term disability leave period run in parallel with qualifying FMLA leaves of absence. Time spent on a short-term disability leave of absence shall count towards the maximum number of days or weeks of FMLA or Supplemental FMLA leaves of absence.

37-6. Transfer of Sick Days. Employees may donate up to ten (10) sick days from their sick day banks to another employee who is suffering from a serious medical condition and who is on an approved leave of absence. An employee receiving a donation of sick days may not receive more than forty-five (45) days of sick leave in the aggregate from donor-employees and may only receive a donation once during his or her employment with the BOARD.

**TAT SALARY
ADJUSTMENT
AND DISPLACEMENT**

38-1. Salary Adjustments for TATs.

38-1.1. TATs with Temporary Certificates. Teachers who hold temporary teaching certificates (other than provisional certificates) and who are employed as TATs shall be eligible to receive salary adjustments up to and including the second step of the appropriate lane to allow credit for prior service as a full-time teacher in the Chicago Public Schools or in schools outside the Chicago public school system provided, however, that the provisions of Section 302.8 of the *Chicago Public Schools Policy Manual* (Compensation and Pay Plan) (Board Report: 08-0123-PO1) covering salary adjustments are met and an application (Salary Adjustment T. Per. 41) and, if outside time is involved, an affidavit (Affidavit Form T. Per. 42) are filed with the Talent Office. The Talent Office shall acknowledge within twenty-five days, in writing, the receipt of such application and shall indicate any deficiency in the application. At the time application is made, the teacher shall furnish the Talent Office with a stamped, self-addressed envelope.

38-1.1(a). *Submission of Claim for Experience Within CPS*. To be eligible for a salary adjustment based on teaching experience in the Chicago Public Schools effective on the date of employment, TATs must make proper claim to the Talent Office within sixty days of the date of employment. After sixty days the effective date for a salary adjustment based on teaching experience in the Chicago Public Schools shall be the date proper claim is received in the Talent Office.

38-1.1(b). *Submission of Claim for Experience Outside*

CPS. Salary step adjustments for outside teaching experience for TATs shall be made effective from the date of employment provided that proper claim and documentary proof are on file within ninety days of employment. After ninety days of employment, the effective date for salary adjustments becomes the date on which the application and affidavit are received in the Talent Office. No salary adjustment claim or verification of employment outside of the Chicago Public Schools will be considered if filed after one year of original placement as a TAT.

38-12. TATs with Regular Teaching Certificates. TATs who agree to obtain a regular teaching certificate shall be eligible for an additional salary adjustment up to and including the third step of the appropriate lane provided, however, that they have not had such a salary lane adjustment at a previous time and that the provisions of Section 302.8 of the *Chicago Public Schools Policy Manual* (Compensation and Pay Plan) (Board Report: 08-0123-PO1) covering salary adjustment are met and an application (Salary Adjustment T. Per. 41) and, if outside time is involved, an affidavit (Affidavit Form T. Per. 42) is filed with the Talent Office. Any TAT who has had the above-mentioned salary adjustment and who fails to obtain a regular teaching certificate within one year shall revert to the appropriate step and lane, but no higher than step two. Whenever a TAT obtains a regular teaching certificate, said TAT shall not be subject to the salary step limitations outlined in this Section.

38-13. Responsibility for Submitting Claim and Documentation. The full burden of responsibility for submitting claim and proof thereof of all salary and/or lane advancements rests with the teacher. Experience outside of Chicago must be documented.

38-2. When TATs are released due to the return from a leave of an appointed teacher to the school, such TATs shall be permitted the following benefits:

- A. TATs so released shall be reassigned, effective the first day of student attendance of the school year, or thereafter, by the Talent Office to the Cadre and shall be continuously available to perform substitute service. Further, they shall accept all assignments in any and every school. Displaced TATs who become members of the Cadre shall continue to be eligible for all medical and dental benefits granted to TATs for twelve calendar months after reassignment to the Cadre provided said teachers remain in the Cadre. Displaced TATs assigned to the Cadre shall be paid the daily rate set forth in Appendix A-1J(i) or A-1J(ii). Released TATs serving in the Cadre shall be given the opportunity to apply and be interviewed for vacant positions throughout the school year. The Talent Office shall maintain a list of released TATs in order to assist principals in filling vacancies. A TAT released from a school will not be reassigned to a vacancy temporarily filled by another TAT.
- B. A displaced TAT who becomes a member of the Cadre may be selected at any time by a principal to fill an existing vacancy provided that this reassignment is consistent with the area of certification required for said vacancy. If reinstated as a TAT, said teacher shall be placed on the appropriate lane and step of the salary schedule and shall receive all benefits herein provided to TATs. If the displaced TAT is assigned to the position of an appointed teacher on leave, the TAT shall remain as a TAT as defined in Article 23-6.1. Otherwise, if the displaced TAT is assigned to a vacancy consistent with the TAT's area of certification, the TAT shall become a probationary teacher as defined in Article 23-3.
- C. The BOARD and the UNION agree that said displaced TATs shall be included in the number of Cadre substitutes maintained by the BOARD under the provisions of Article 27-2. If the number of released TATs causes the size of the Cadre to exceed the specified three hundred members from Septem-

ber to November 1 or nine hundred members from November 1 through the end of the school year, the BOARD shall increase the size of the Cadre to accommodate inclusion of any released TATs.

TEACHER EVALUATION

39-1. Evaluation Plan and Procedures.

- A. The BOARD and the UNION agree with the following goals and purposes for teacher evaluation:
1. To build principals' and/or teachers leaders' expertise in observing and analyzing instruction and supporting teacher development.
 2. To engage teachers in reflection and self-assessment regarding their own performance.
 3. To provide teachers with information and guidance to inform their development.
- B. The BOARD adopted an evaluation plan and procedures ("the evaluation plan") on March 29, 2012. That plan shall be implemented effective with the start of the 2012-2013 school year, except as provided by this Agreement. During the 2012-2013 school year, tenured teachers subject to the evaluation plan will be observed, receive feedback and student growth scores based on their performance in school year 2012-2013. However, they will not be subject to remediation, dismissal or other adverse action based on their performance or rating in the 2012-2013 school year.
- C. The Joint Teacher Evaluation Committee ("Joint Committee") shall continue its collaboration. The Joint Committee shall consist of five members selected by the UNION and five members selected by the BOARD. The Joint Committee shall meet at least

one day per month during the regular school year to discuss and come to agreement on issues related to the teacher evaluation plan implementation that may arise during the term of this Agreement. The Joint Committee shall establish rules surrounding the use of local criteria in evaluation, and no local criteria shall be used or given weight until those rules are established. After a student survey pilot in school year 2013-2014, the Joint Committee shall also determine whether student surveys shall be used as a component of the teacher evaluation plan in school year 2014-2015 and thereafter. Unless otherwise agreed by the Joint Committee, teacher practice scores shall be 75% of the summative rating in school year 2012-2013, 75% of the summative rating in school year 2013-2014 and 70% of the summative rating in school year 2014-2015. Student growth scores shall be 25% of the summative rating in school year 2012-2013, 25% of the summative rating in school year 2013-2014 and 30% of the summative rating in school year 2014-2015. Joint Committee meetings shall occur where possible during the regular school day. Where necessary, members of the committee who are classroom teachers shall be provided with substitute teachers on meeting days.

- D. The BOARD and the UNION shall conduct a joint study of the implementation of the teacher evaluation plan. The Joint Committee shall determine what changes, if any, are necessary to improve the content and procedures of the teacher evaluation plan. Any changes to the teacher evaluation plan shall be communicated to all teachers within ten school days of adoption.
- E. The BOARD shall provide the UNION with a calendar prior to each school year setting forth the relevant dates in connection with the Evaluation Plan.

39-1.1. Orientation. Teachers shall be provided with an orientation session on the teacher evaluation plan during the first week of the school year prior to stu-

dent attendance, but not later than the 20th day of student attendance, unless they are hired or transferred to the school after the 20th day. Teachers shall be provided copies, which may be in electronic form, of the teacher evaluation plan. Teachers hired after the first week of the school year shall be provided with said orientation within the first week after their hiring and a copy of the teacher evaluation plan shall be provided to every teacher. The Joint Committee shall review and determine orientation materials and programs for the 2013-2014 school year and thereafter.

39-2. Evaluation Plan and Procedures.

39-2.1. Evaluation Plan. Each teacher shall be evaluated annually or biennially as “excellent,” “proficient,” “developing” (state law equivalent is “need improvement”) or “unsatisfactory” by a qualified evaluator in accordance with this Article and the teacher evaluation plan. A teacher who receives two consecutive summative developing ratings shall be rated unsatisfactory if, in the second year, either his or her teacher practice rating or his or her overall rating does not improve.

39-2.2. Qualified Evaluators. Qualified evaluators are those who have successfully completed evaluation training and prequalification under Section 24A-3 of the *Performance Evaluation Reform Act* and as thereafter required. Observations may only be conducted and evaluations may only be given by qualified evaluators. The BOARD shall provide the UNION a list of qualified evaluators on a quarterly basis.

39-2.3. Teacher Practice Observations.

A. *Formal and Informal*.

1. Formal observations shall be preceded by a pre-conference. All formal observations shall be forty-five minutes in duration, the length of the class period or the length of the lesson.
2. Informal observations shall be at least fifteen minutes in duration.

B. Timing and Number.

1. The first observation shall take place no sooner than the fifth week of the school year.
2. Each subsequent observation shall be separated by at least one month, or three months for teachers evaluated biennially, and be completed no later than the thirty-fifth week of the school year.
3. Teachers who will receive a summative evaluation in school year 2012-2013 or 2013-2014 may opt to make the first formal observation in 2012-2013 a “practice” observation, whose score will not be included in the summative rating. The teacher may exercise this choice within ten days of the post-observation conference.
4. Teachers shall have four observations by qualified evaluators during their evaluation cycles, at least two of which shall be formal observations.

C. Observations and Conferences.

1. Pre-observation conferences shall be scheduled with reasonable notification to the teacher.
2. Pre-observation conferences between the teacher and the evaluator shall take place no later than one week prior to the formal observation. Pre-observation conferences prior to a formal observation shall be private interactive discussions between the evaluator-observer and the teacher at which lesson and unit plans, portfolios of student work, student issues, resource needs, the teacher’s identification of areas in which he or she wishes to have focused feedback from the evaluator-observer and other professional practice issues identified by the teacher or evaluator-observer shall be discussed.
3. Evidence collected during formal or informal observations shall be aligned to the *CPS*

Framework for Teaching.

4. Each formal observation shall take place within five school days of the pre-conference and during the time that the instructional module discussed at the pre-conference is to be taught.
5. Post-conferences between the teacher and evaluator-observer shall take place within five to ten school days following the formal observation and shall be private. Feedback after an informal observation may be provided in person or electronically. The teacher may request in person feedback after an informal observation.
6. The evaluator shall provide the teacher with all the evidence, observation scoring and reflections via the BOARD'S on-line teacher evaluation data system, to which the BOARD will provide teachers unlimited access.

D. Summative Evaluation.

There will be only one annual or biennial summative evaluation per evaluation cycle at the end of the teacher's evaluation cycle. The BOARD will attempt to provide summative ratings no later than the last day of student attendance, and the Joint Committee will review its progress toward that goal.

39-2.4. Inability to Rate or to Provide Rating. In the event that a tenured teacher does not receive an annual summative rating, the previous rating shall be established as the current rating. In the event a probationary appointed teacher does not receive an annual summative rating, the parties will attempt to agree on a rating or re-rating during the same year, and, if no agreement is reached, the teacher will have the option of having his or her previous rating as the current rating or receiving a Proficient rating.

39-2.5. Summative Ratings and Forms. On or before seven days prior to the last day of student attendance,

Date visited: October 4, 2016

an evaluator shall provide each teacher with all available components of their summative rating. The summative rating shall include observation scores, student growth scores if available and all other evidence used to determine the summative rating, along with the formula used to calculate the summative rating, provided that the rating shall not include scores from student surveys in school year 2012-2013 or 2013-2014 and shall only include student survey scores in school year 2014-2015 and thereafter if agreed by the Joint Committee. The Joint Committee will determine the timing of end of year (annual or biennial) summative evaluations for the 2013-2014 school year and beyond.

Summative ratings shall be based on the following scale in which points are earned in accordance with the plan.

Level	Minimum	Maximum
Unsatisfactory	100	209
Developing (Needs Improvement).....	210	284
Proficient.....	285	339
Excellent	340	400

For purposes of layoff, the developing rating will be divided into two sublevels “emerging” with a rating score of between 210 and 250 and “developing” with a rating score of between 251 and 284.

39-2.6. Professional Development. The Joint Committee shall determine the professional development needed to support teachers in becoming proficient teachers as defined in the evaluation plan.

39-3. Probationary Appointed Teachers.

Observations and Evaluation. Probationary teachers shall be observed and evaluated each school year by a qualified evaluator in accordance with the procedures of Article 39-2.3. Four observations shall occur each school year, at least three of which shall be formal.

39-4. Tenured Teachers.

Observations and Evaluation. Tenured teachers shall be observed and evaluated each school year by a qualified evaluator in accordance with the procedures of Article 39-2.3 and as follows:

- A. Tenured teachers shall be evaluated annually or biennially by a qualified evaluator in accordance with the teacher evaluation plan. Tenured teachers who received a summative rating of excellent or superior for the 2011-2012 school year shall be placed on a biennial rating schedule and shall be evaluated every two years beginning with the 2013-2014 school year. In school year 2014-2015 and thereafter, tenured teachers rated excellent or proficient shall be given a summative rating on a biennial basis, and all other tenured teachers shall be rated annually. The Joint Committee shall determine the biennial cycle (e.g., alphabetically by even or odd years).
- B. Observers shall observe tenured teachers at least two times per school year, and at least one of those observations shall be formal. Tenured teachers whose last rating was not excellent or proficient (or excellent or superior under the 2011-2012 rating system) shall have four observations each school year, at least two of which are formal.

39-5. Post-Observation Conferences and Practice Scoring.

Post-observation conferences are opportunities for the teacher and evaluator-observer to review the teacher's performance under the appropriate *CPS Framework for Teaching*. During that conference, the evaluator-observer and the teacher should discuss opportunities and means to improve teaching performance. After the observation, the evaluator-observer shall issue *CPS Framework for Teaching* component level scores to the teacher that shall be made available to the teacher on the online data sharing system, together with, among other things, (1) comments about the teacher's pre-observation preparation, the observation itself and the teacher's post-observation

reflection, (2) identification of specific opportunities for growth, (3) ways and means by which the teacher should pursue opportunities and achieve growth, (4) the resources to be made available to assist the teacher and (5) the evaluator's follow-up.

39-6. Unsatisfactory Day-to-Day Substitutes. Whenever a day-to-day substitute receives an unsatisfactory rating, the Talent Office shall schedule a conference with said day-to-day substitute and the UNION to give the day-to-day substitute a written copy of the reasons for the unsatisfactory rating, discuss the reasons and give positive suggestions for improvement to the day-to-day substitute. The services with the school system of an unsatisfactory day-to-day substitute shall not be terminated until said day-to-day substitute has been given an unsatisfactory rating by at least two principals, unless there is evidence of moral laxity or serious misconduct.

39-7. Consulting Teachers.

39-7.1. The BOARD, in consultation with the UNION, shall appoint a body of part-time consulting teachers who meet the statutory minimum criteria, after an application process determined by the Joint Committee, giving preference to teachers with two consecutive ratings of excellent or who are National Board Certified, who may be called to assist tenured teachers under remediation, in their subject area and/or grade band level. The consulting teacher must have five-years of teaching experience, have a most recent summative rating of excellent and have reasonable familiarity with the teacher's content area. The Joint Committee may establish additional criteria for appointment as a consulting teacher.

39-7.2. Consulting teachers shall be released from their teaching duties a minimum of 3 hours a week, based on the remediation plan of the receiving teacher. They shall be paid a pro rata stipend for time spent assisting the teacher, and an additional hour of planning each

week of support.

39-73. The consulting teacher's role is to help teachers improve their practice to proficient in the *CPS Framework for Teaching* components identified in the remediation plan, by providing or recommending mentoring, professional learning experiences, instructional support, modeling and coaching.

39-74. Consulting teachers shall not assist colleagues with whom they are personally acquainted.

39-8. Remediation of Tenured Teachers Rated Unsatisfactory.

A. As soon as practicable, but no later than thirty school days after the issuance of an unsatisfactory summative evaluation to a tenured teacher, the evaluator shall appoint a consulting teacher to assist the teacher in improving his or her performance to proficiency over a ninety-school-day remediation period.

B. Within thirty school days after the issuance of an unsatisfactory summative rating, the qualified evaluator shall conduct a meeting with the teacher under remediation and assigned consulting teacher. At this meeting, a remediation plan developed by the qualified evaluator, with input from the consulting teacher and the teacher under remediation, shall be distributed to the parties and shall become effective immediately.

C. During the ninety-school-day remediation period, the teacher and the consulting teacher shall work together to improve the teacher's performance on components of the *CPS Framework for Teaching* identified in the remediation plan. The teacher and the consulting teacher shall determine a schedule by which the consulting teacher shall observe the teacher's performance during the remediation period and engage in other activities that may be helpful to the teacher in improving his or her performance to proficiency.

- D. During the remediation period, an evaluator will conduct a mid-point and final evaluation of the teacher's performance, using the *CPS Framework for Teaching* as the sole measure of performance during the remediation period. If the teacher is rated "proficient" or better at the conclusion of the remediation period, he or she shall have successfully completed the remediation period. Following successful completion of the remediation plan, a qualified evaluator shall continue to monitor the teacher's performance with quarterly formal observations, including required pre-and post-conferences. After four quarters, the teacher shall be reinstated to a schedule of annual or biennial evaluations.
- E. The Joint Committee shall discuss and agree upon issues related to remediation design and implementation.

39-9. Appeals Process.

For school years 2012-2013, 2013-2014 and 2014-2015, a teacher appeals process shall be established to contest certain unsatisfactory summative ratings given by a qualified evaluator. It shall be comprised of a committee of four active or retired educators, two of whom shall be selected by agreement of the UNION President and the Chief Executive Officer, one of whom shall be selected by the UNION and one of whom shall be selected by the BOARD. All members of the committee shall be qualified evaluators. Both the BOARD and the UNION shall select qualified alternate committee members who may substitute for their regularly appointed members. Individual members of the committee must recuse themselves from cases where they have personal familiarity with the teacher appealing a summative rating and will be replaced by the same appointing entity. The Joint Committee shall develop the appeal form and other necessary procedures by December 1, 2012. The Joint Committee shall determine whether the appeals process exists after

school year 2014-2015.

- A. A teacher receiving an unsatisfactory rating, and a second consecutive developing rating that results in an unsatisfactory rating, shall be eligible to use the appeals process by filing a notice of intent to appeal with the appeals committee within ten days of receipt of the rating and then the appeal within thirty calendar days after receipt of the rating. The teacher must also submit a copy of the appeal to the teacher's principal or head administrator. In the appeal, the teacher must state the factual basis for the appeal and identify the evidence that supports the appeal. An appeal may be based on student growth ratings in whole or part only if the teacher identifies a data integrity or data analysis error.
- B. Upon receiving an appeal, the appeals committee shall review the written record of the rating. The "written record of the rating" includes (1) the documents and materials submitted by the teacher to the evaluators during pre-conferences and post-conferences or at other times as evidence of the teacher's practice and (2) the evaluator's observations, comments and feedback. The written record of the rating shall not include materials and evidence that the teacher or evaluator was not privy to during the rating process.
- C. If the committee determines the written record of the rating to be insufficient to make a ruling, it shall schedule a meeting with the teacher at which the teacher shall be represented by the UNION and with at least one of the qualified evaluator-observers who contributed observation ratings to the teacher's rating. The meeting shall take place within ten school days of receipt of the appeal.
- D. The BOARD shall provide the teacher and the UNION with all evidence used by the qualified evaluator to determine the summative rating under appeal five days prior to the meeting.

- E. After reviewing the written record of the rating, the appeals committee shall have the right to meet with the teacher and to determine if a formal observation of the teacher appealing the rating shall take place to assist it in its determination. B. INSURANCE BENEFITS—OTHER

1. **PRE-CERTIFICATION.** The pre-certification penalty for failure to pre-certify shall be 50% of the cost of services capped at \$1,000. The BOARD will continue to provide information about pre-certification to its employees during the Open Enrollment period. 2. **CHRONIC CARE/DISEASE MANAGEMENT PROGRAM.** The parties agree to continue to maintain a chronic care/disease management program. E. BENEFIT INFORMATION

The BOARD currently provides a guide, providing an overview of its health care plans to new employees and re-hired employees and during the annual Open Enrollment period, and the BOARD will continue to do so. The guide will be available online to allow employees to view current plan information electronically.

The BOARD benefit plans provide a toll-free hotline and an online site for members to access with questions regarding their health care plan. The hours of operation for each health care plan are 8:00 a.m. to 6:00 p.m. Additionally, the BOARD has a Benefits Customer Service team which answers calls during business hours.

As a result of the PeopleSoft conversion, the BOARD relies on a unique identification number (“UID”) for all employees. The BOARD will work with each of its vendors to ensure that employees are routinely identified by these UIDs as opposed to the employees’ Social Security numbers.

F.ANTI-FUNGAL DRUGS. Since August 1, 2006, the BOARD has covered the following anti-fungal prescriptions: GRIFULVIN V; GRIS-PEG; GRISEOFULVIN; LAMISIL; SPORANOX; and PENLAC.

APPENDIX F [RESERVED]

(Formerly GUIDELINES FOR TRANSFER OF SICK DAYS See Article 37)

APPENDIX G
FMLA LEAVE

Bargaining unit employees regularly employed on a year-round basis who have been employed for at least twelve months and who have worked a minimum of 1,250 hours of service during the previous twelve-month period and bargaining unit employees regularly employed on a ten-month basis who have been employed for the equivalent of at least twelve months and who have worked the equivalent of a minimum of 1,250 hours of service during the previous twelve-month period shall be entitled to unpaid leave under the Family and Medical Leave Act (“FMLA”) for any of the following reasons:

- (a) To provide care for a son or daughter during the twelve-month period after the birth of such child;
- (b) To provide care for a son or daughter during the twelve-month period after such child is adopted by or placed in the foster care of the employee;
- (c) To provide care for a son, daughter, spouse or parent with a serious health condition; or
- (d) To treat or recover from a serious health condition of the employee.

Bargaining unit employees are entitled to a total of twelve work weeks of unpaid leave for the above-stated reasons during a “rolling” twelve-month period measured backwards from the date an employee uses any FMLA leave.

Bargaining unit employees shall be required to use their accrued sick days concurrently with any leave of absence taken under the FMLA. Employees will have the option, upon appropriate notice, to use accrued vacation days. During any leave taken under the FMLA, the employee’s health care coverage under any group health plan shall be maintained for the duration of such leave at the level and under the conditions coverage would have been provided if the employee had continued in employment continuously for the duration of the leave. If the employee is

using vacation or sick days, the employee will accrue seniority while on FMLA leave.

Bargaining unit employees must provide at least thirty days' advance notice before FMLA leave is to begin if the need for leave is foreseeable based on an expected birth, placement for adoption or foster care or planned medical treatment for a serious health condition of the employee or the employee's son, daughter, spouse or parent. If thirty days' notice is not practicable (such as because of a lack of knowledge of approximately when a leave will be required to begin, a change of circumstances or a medical emergency), notice must be given as soon as practicable. Failure to provide the notice set forth in this Section shall not affect the employee's entitlement to the leave when the BOARD has actual knowledge of the FMLA-precipitating event.

A bargaining unit employee who takes FMLA leave shall be entitled on return from such leave to be restored to the position of employment held by the employee when the leave commenced or to an equivalent position with equivalent employment benefits, pay and other terms and conditions of employment.

Except as may be specifically provided for in this Agreement, bargaining unit employees' rights and obligations relating to FMLA leave shall be governed by the provisions of the FMLA (including the regulations thereunder) and BOARD rules or policies.

APPENDIX H
LAYOFF OF TEACHERS

Section 1—Definitions

- A. *School actions.* BOARD-approved actions to close, consolidate, phase-out or turnaround a school.
- B. *School closing.* A student attendance center is closed, its attendance area boundary redistributed to two or more schools and its students reassigned to one or more schools.
- C. *School consolidation.* A student attendance center is closed, its attendance area boundary merged with one other school and its students reassigned to one other school.
- D. *Phase-out.* A student attendance center is gradually closed through the reassignment of the area attendance boundary to one or more other student attendance centers with no students reassigned; such center may later be closed or consolidated.
- E. *Turnaround or reconstitution.* All employees of the school are removed from the school and reassigned or laid off with no students reassigned to other schools.
- F. *Economic actions.* Economic actions are those for which the cause of the layoff of the employee is the BOARD's, unit's or school's lack of funds to maintain current staffing levels; economic actions may take the form of different transactions, including, but not limited to, class size increases, changes in position definitions (i.e., redefinitions) to meet program needs, elimination of positions or the reduction of positions from full- to part-time.
- G. *Other actions.* Actions that are not school actions or economic actions. They may be based on a school's enrollment or a school's or unit's educational program and may include, but not be limited to, (i) drops in enrollment whereby a student attendance

center receives fewer positions or less resources due to a decline in student enrollment, (ii) changes in the educational or academic focus of the attendance center whereby an entire attendance center or a substantial part of an attendance center becomes focused on or changes its focus to a particular content area or form of pedagogy (e.g., International Baccalaureate, Montessori or STEM) that necessitates specialized credentials for or training of teaching staff and sometimes support staff, (iii) program closures whereby special programs are eliminated (e.g., a grant-funded reading program ends), (iv) redefinitions, (v) elimination of positions or (vi) reduction of positions from full- to part-time.

Section 2—Scope of Policy

Whenever there is a reduction in or change in the teaching force that results in the lay off of appointed teachers, teachers will be reassigned or laid off in accordance with this policy.

Section 3—Order of Teacher Layoff

If changes in an attendance center or program require the lay off of some but not all teachers, the order of layoff of teachers within the affected unit and certification shall be by the following performance tiers and/or as follows:

1. Any teachers rated unsatisfactory;
2. Any substitute or temporary teachers;
3. Probationary appointed teachers by performance tier (emerging: 209-250 score; developing: 251-284 score; proficient: 285-339 score; and excellent: 340-400 score).
4. Tenured teachers rated satisfactory or, after the first evaluation in the new evaluation system issues, first tenured teachers rated emerging (209-250 score) and then tenured teachers rated developing (251-284 score).

5. All other tenured teachers.

Within each of the foregoing five tiers, teachers shall be displaced by inverse order of seniority, with the least senior teacher being laid off first.

For school year 2012-13 only, if changes in an attendance center or program require the lay off of some but not all teachers, the order of layoff of teachers within the affected unit and certification shall be by the following performance tiers and/or as follows:

1. Any teachers rated unsatisfactory;
2. Any substitute or temporary teachers;
3. Probationary appointed teachers by performance tier (emerging: 209-250 score; developing: 251-284 score; proficient: 285-339 score; and excellent: 340-400 score);
4. All other tenured teachers.

Within each of the foregoing tiers, teachers shall be displaced by inverse order of seniority, with the least senior teacher being laid off first.

Section 4—Notice of Position Closing

When a determination is made that a teacher's services are no longer required at an attendance center, the teacher will be so notified (hereinafter "notice of layoff") twenty-one days in advance of the effective date of layoff, except in the case of 20th day position closing.

Section 5—Tenured Teachers Benefits Upon Layoff

A. Teacher Eligibility List.

1. The BOARD with input from the UNION shall create a system by which candidates for hire as teachers are prequalified through hiring screening methods. Prequalified teachers shall include: (a) tenured teachers laid off for any reason on or after June 15, 2010 whose most recent performance rat-

ing was in the top two rating categories (i.e., excellent or superior and excellent or proficient); and (b) new applicants and other teachers who pass uniform pre-screening hiring criteria, including the consideration of employment history.

Tenured Teachers laid off between June 15, 2010 and June 30, 2012 will not be placed on the teacher eligibility list if they are currently employed by the BOARD in a full-time teacher position or have previously resigned or retired.

2. Eligible tenured teachers will be invited to be on the teacher eligibility list and to confirm their desire to be on the list (such as completing an on-line application). The UNION will be copied on all communications.
3. Prequalified teachers will be admitted to the eligibility list as they are laid off and shall remain on the teacher eligibility list for two years or until they receive a permanent appointment, whichever first occurs. However, teachers placed on the eligibility list during 2012 will remain on the list until June 30, 2015
4. Inter-unit transfers are exempt from the process described in this Section.
5. Principals shall hire only prequalified applicants to permanent teaching positions and shall have the discretion to hire any prequalified teacher. However, principals who receive three or more applications from prequalified displaced tenured teachers for a posted vacancy must interview at least three prequalified displaced tenured teachers for the position. If the principal does not select a prequalified displaced tenured teacher, the principal shall provide the reason(s) for the non-selection to the Talent Office, which shall communicate the reason(s) to the prequalified displaced tenured teacher. Such reasons may not be arbitrary.
6. Every July 1, the BOARD shall provide the UNION with a list of permanent vacancies filled by teachers

on the eligibility list between the immediately preceding July 1 to June 30 period. If fifty percent of those vacancies have not been filled by prequalified displaced tenured teachers, the BOARD will assign a number of prequalified displaced tenured teachers who were on the eligibility list on the immediately preceding June 30 to the reassigned teacher pool for a period of five school months, but excluding:

- (a) displaced teachers then currently in the reassigned teacher pool under another provision of this Agreement; and
- (b) tenured teachers displaced between June 15, 2010 and June 30, 2012 who were placed into the Reassigned Teacher Pool upon layoff.

Assignments to the reassigned teacher pool shall be based on seniority. The number of prequalified displaced tenured teachers assigned shall equal the difference between the numerical value of fifty percent of the permanent vacancies filled during the immediately preceding July 1 to June 30 period and the actual number of vacancies filled by prequalified displaced tenured teachers. Prequalified displaced tenured teachers who are placed in the reassigned teacher pool and who do not find a permanent appointment by the end of their five-month assignment shall be assigned to the Cadre for five school months. If the prequalified displaced tenured teacher is not appointed to a position by the end of his or her assignment in the Cadre, he or she shall be laid off and separated from BOARD employment, but will remain on the teacher eligibility list for the remainder of his or her two years of eligibility.

B. Tenured Teachers Laid Off Due to School Actions.

Tenured teachers laid off due to school actions shall receive the following benefits:

1. *Transfer to receiving schools in school closings and*

consolidations. Tenured teachers whose most recent rating is in the top two rating categories (*i.e.*, excellent or superior and excellent or proficient) shall be appointed to a vacancy at a school to which students from their school have been assigned to the extent that a vacancy within the teacher's certification has been created as a result of or in connection with the transfer of students. If more than one teacher is eligible for appointment to the same vacancy, selection for the vacancy shall be based on seniority.

2. *Assignment to the reassigned teacher pool or Cadre.* Tenured teachers laid off due to school closings and school consolidations who are not appointed to a vacancy at the school receiving their students and tenured teachers laid off due to turnarounds, reconstitutions and phase-outs shall be assigned to the reassigned teacher pool for a period of five school months, during which time they shall be assigned as a substitute teacher with full pay and benefits. At the end of five school months, if a tenured teacher has not been appointed to a teaching position, he or she shall be assigned to the Cadre for a period of five school months with the Cadre pay and benefits. At the end of five months in the Cadre, if the tenured teacher has not been appointed to a permanent position, the tenured teacher shall be laid off and separated from employment with the BOARD.
3. *Alternative severance benefit.* A tenured teacher who has been laid off due to school actions shall be offered the opportunity to resign and receive three months of pay.

C. Tenured Teachers Laid Off Based on Economic Actions (Exclusive of School Actions and Other Actions).

Tenured teachers who are laid off for economic reasons shall be offered placement as a day to day substitute teacher.

D. Tenured Teachers Laid Off for Reasons Other Than Economic Actions and School Actions.

1. *Assignment to the Cadre.* Tenured teachers laid off for all other reasons shall be assigned to the Cadre for ten school months. At the end of ten school months, if a tenured teacher has not been appointed to a teaching position, the tenured teacher shall be laid off and separated from employment with the BOARD.
2. *Recall to unit.* A tenured teacher who has been laid off from a school or unit shall be entitled to recall to the same school or unit from which he or she had been laid off for a period of ten school months from the date of layoff, provided that a vacancy within his or her certification is created at the school or unit and that the teacher has been rated proficient or better. Tenured teachers shall be recalled in inverse order of layoff.

Section 6—Probationary Teachers Benefits Upon Layoff

Probationary teachers who are laid off and who have been rated in the top two rating categories shall be offered placement in the day-to-day substitute pool.

Section 7—Eligibility to Apply to Other Positions

The terms of this policy do not preclude any teacher from applying for vacant positions or employment as a Cadre or day-to-day substitute at any time.

Section 8—Reappointment with Tenure

Within two years after layoff from BOARD employment, if the tenured teacher is appointed by a principal to a permanent position, tenure and prior seniority will be restored to the tenured teacher as of the date of appointment.

APPENDIX I

**LAYOFF, INTERIM
ASSIGNMENT AND
REAPPOINTMENT OF
PSRPS**

The BOARD's Layoff, Interim Assignment and Reappointment of Educational Support Personnel ("ESP") Policy incorporated herein and reads in pertinent part as follows:

I. LAYOFF, RE-STAFFING, AND REAPPOINTMENT OF BARGAINING UNIT ESP. The provisions of Section I of this policy govern the CEO's or designee's decisions to layoff BOARD employees in educational support personnel classifications or job titles in bargaining units certified for the purposes of collective bargaining ("bargaining unit ESP employees" or "bargaining unit PSRP employees").

A. Reasons for Reductions in Force of Bargaining Unit ESP Employees: The Chief Executive Officer (CEO) or designee may conduct reductions in force, layoff or dismiss bargaining unit ESP employees for the following reasons:

- (1) lack of work or funds,
- (2) decline in student enrollment,
- (3) change in subject requirements,
- (4) closing of an attendance center, department or unit,
- (5) privatization contracts with third parties,
- (6) abolition of positions because of changes in duties associated with them,
- (7) change in organizational structure,
- (8) reconstitution of attendance centers pursuant to Section 34-8.3 of the *Illinois School Code*,

- (9) intervention in an attendance center under Section 34-8.4 of the *Illinois School Code*, or
 - (10) any other reason, which in the exercise of the CEO or designee's discretion, make a reduction in force necessary or prudent.
- B. Notice of Layoff. When the CEO or designee decides to conduct a reduction in the work force which results in the layoff of bargaining unit ESP employees, the CEO or designee will give fourteen (14) calendar days advance written notice to affected bargaining unit ESP employees or, if notice is given during the bargaining unit ESP employees' regular work year, fourteen (14) calendar days pay in lieu of advance notice. The CEO or designee will enclose with the notice of layoff: 1) a list of ESP vacancies then existing; 2) instructions about how to learn about future ESP vacancies; 3) instructions on how to apply for bargaining unit vacancies posted on the Human Resources Department's on-line job bulletin in accordance with Section I.E.1 of this policy; and 4) instructions on how to change address and contact information with the Talent Office.
- C. Criteria for Determining Bargaining Unit ESP Employees to Be Laid Off. Except in cases where an attendance center or unit is closed under the BOARD's Closing of Schools Policy, reconstituted or closed pursuant to Section 34-8.3 of the *Illinois School Code* or subject to intervention pursuant to Section 34-8.4 of the *Illinois School Code*, the CEO or designee will consider one or more of the following factors in determining which employees shall be laid off:
- (1) job classification,
 - (2) department or attendance center where assigned,
 - (3) seniority,
 - (4) recent performance ratings or evaluations, certifications or other qualifications,

- (5) where applicable, whether the employee is highly qualified under the No Child Left Behind Act and applicable BOARD policies, and state and federal regulations, and/or
- (6) any other factors related to job performance.

The weight to be accorded to each factor considered shall be left to the CEO's or designee's discretion.

For the purposes of this policy only, "seniority" with regard to layoff and reappointment shall mean the length of full-time accumulated service in any career service/ESP position, with such seniority accruing from the date of initial appointment to a career service/ESP position with the BOARD. This definition of "seniority" shall apply only to those ESP employees who are represented by a bargaining unit at the time of their layoff.

D. Re-staffing of a Bargaining Unit ESP Position in the Laid Off ESP Employee's Classification or Job Title at the School or Unit During the 10 school months following Layoff of Bargaining Unit ESP Employees. Except as provided in Section I.F of this policy (concerning layoffs under the BOARD's Closing of Schools Policy or Sections 34-8.3 or 34-8.4 of the *Illinois School Code*), if a school or unit opens a bargaining unit position in the same job title from which one or more ESP employees at that school or unit was laid off within ten (10) school months of the effective date of the affected laid off bargaining unit ESP employee(s)' layoff(s), the CEO or designee shall offer to re-staff laid off bargaining unit ESP employees to the position in order of seniority, provided that the laid off bargaining unit ESP employee meets all of the qualifications for the position, including, where applicable, being highly qualified for the position in accordance with applicable BOARD policies and state and federal rules and regulations. The CEO or designee shall make

the offer to re-staff to an eligible laid off bargaining unit ESP irrespective of whether or not a laid off bargaining unit ESP has accepted an interim assignment under the provisions of Section I.E of this Policy or a permanent appointment in another position or at another school. A laid off bargaining unit ESP employee offered re-staffing under this provision must demonstrate highly qualified status for the position to the Talent Office in accordance with existing staffing procedures. Failure to do so will result in revocation of the offer to re-staff.

E. Eligibility Pool for Consideration for and Interim Assignment to Certain Bargaining Unit Positions. The CEO or designee shall maintain a list of laid off bargaining unit ESP employees by job title who are seeking re-employment with the BOARD for a period of ten (10) school months after the effective date of their layoff. The list will constitute the eligibility pool. Laid off bargaining unit ESP employees in the eligibility pool will be eligible for interviews for appointment to BOARD-funded positions for which they apply in accordance with this Policy and for an interim assignment to a vacant position in the title from which they were laid off and for which they meet the minimum qualifications as follows:

- (1) Eligibility for Interviews for Bargaining Unit ESP Vacancies Posted on the Human Resources Department's On-line Job Bulletin. A laid off bargaining unit ESP employee in the eligibility pool may apply for BOARD-funded bargaining unit vacancies in his or her former job title at schools or units other than that from which he/she was laid off that are posted on the Human Resources Department's on-line job bulletin for which they qualify by submitting a timely application to the Talent Office in accordance with instructions in their notice of layoff and in accordance with the posting. If a laid off

bargaining unit ESP employee applies for a BOARD-funded vacant bargaining unit ESP position and meets the minimum qualifications for the position as advertised including being highly qualified in accordance with BOARD Policy and state and federal regulations, the principal or unit head shall interview and give the laid off bargaining unit ESP consideration for appointment to the position on the same terms as other qualified applicants. In order to qualify for an interview, the laid off bargaining unit ESP employee must submit a timely application to the Talent Office and must demonstrate to the Talent Office in his or her application or resume that he/she meets the minimum qualifications of the position including, where applicable, being highly qualified for the position in accordance with applicable state and federal rules and regulations.

- (2) Eligibility for Interim (Temporary) Assignment at another School or Unit to a Vacancy in the Laid Off Employee's Former Title. If a position in a laid off bargaining unit ESP employee's former job title at a School or Unit other than that from which the bargaining unit ESP employee was laid off remains vacant for a period of forty-five (45) calendar days after it was created or became vacant and no offer of employment to a candidate is pending the CEO or designee will offer to assign and, if the offer is accepted, assign a laid off bargaining unit ESP employee who is in the eligibility pool to the vacant bargaining unit ESP position on an interim (temporary) basis provided the laid off bargaining unit ESP employee:
 - a. meets the minimum qualifications of the position, including, where applicable, being highly qualified for the position in accordance with applicable state and federal rules

and regulations;

- b. has a minimum efficiency rating of 70% in his or her previous position; and,
- c. did not have disciplinary action pending at the time of his or her layoff; and,
- d. has not received a disciplinary suspension in the ten (10) school months immediately preceding his or her layoff.

If there is more than one laid off bargaining unit ESP eligible for an interim assignment, the CEO or designee shall offer interim assignments to eligible and qualified laid off bargaining unit ESP employees in order of seniority. If a laid off bargaining unit ESP rejects an offer of an interim assignment, the laid off ESP employee will forfeit his or her place in the eligibility pool.

An interim assignment shall be for a maximum of sixty school (60) calendar days. At any point during the interim assignment, the principal or unit or department head may remove or replace the laid off bargaining unit ESP employee by appointing another employee or applicant to the position. If the laid off bargaining unit ESP who was given an interim assignment is not removed or replaced during the sixty (60) calendar day interim period, the CEO or designee shall appoint him or her to the position. If the laid off bargaining unit ESP is appointed to the position, the CEO or designee shall remove him or her from the eligibility pool. If a laid off bargaining unit ESP is removed from the interim position, the CEO shall return him or her to the eligibility pool, provided however that the interim assignment shall not extend his or her maximum period of ten (10) school months in the eligibility pool.

- F. ESP Layoffs Due to School or Unit Closing or In Connection with BOARD Remedial Actions Under Section 34-8.3 or Section 34-8.4 (Intervention). In cases in which the CEO or designee conducts a re-

duction in force or layoff due to School or Unit closings, or in connection with BOARD remedial action under Section 34-8.3 or Section 34-8.4 of the *Illinois School Code*, Section I. D of this Policy shall not apply to those ESPs.

- G. Effect of Layoff/Appointment after Layoff. A layoff of bargaining unit ESP employees shall result in the severance of the bargaining unit ESP employees' employment. The CEO or designee shall pay out to the laid off bargaining unit employee his or her final wages and transmit to him or her applicable benefit notices in accordance with applicable law. In the event a laid off bargaining unit ESP employee is appointed to any position within ten (10) school months of the effective date of his or her layoff, the CEO or designee shall appoint the laid off bargaining unit ESP employee to the position without loss of seniority and shall restore his or her sick and personal leave benefit day balances existing on the effective date of layoff. If the laid off bargaining unit ESP employee is appointed to a position more than ten (10) school months after the effective date of his or her layoff, the CEO or designee shall appoint the laid off bargaining unit ESP employee to the position as a new employee with a new seniority date and shall not restore sick and personal benefit day balances existing at the time of his or her layoff.

II. LAYOFF OF ESPS NOT IN UNITS ORGANIZED FOR COLLECTIVE BARGAINING. [*Intentionally Omitted*]

- ### III. NOTICES AND COMMUNICATIONS WITH LAID OFF EMPLOYEES/ADDRESSES AND TELEPHONE NUMBERS.
- Laid off bargaining unit or non-bargaining unit ESP employees shall bear the burden of ensuring that the Talent Office has their current telephone number, home address, and, where available, home or other electronic mail address. Laid off bargaining unit or non-bargaining unit ESP employees shall be responsible for submit-

ting changes of address and contact information with the Talent Office in accordance with its procedures. Except for the Notice of Layoff and post-layoff benefit notices, which the CEO or designee shall transmit to the laid off bargaining unit or non-bargaining unit ESP employee by regular or certified mail to their last home address that is on file at the BOARD's Talent Office, the CEO or designee may communicate offers of re-staffing, interim assignment, and interviews for positions telephonically, via regular mail or via electronic mail as the CEO or designee deems appropriate under the circumstances. If laid off bargaining unit or non-bargaining unit ESP employees cannot be reached at the telephone number, address or electronic mail address then on file with the Talent Office within three (3) business days of the CEO or designee's attempt to reach them, the CEO's or designee's obligation, if any, to offer to re-staff, assign on an interim basis or interview set forth in this policy, will be deemed satisfied and discharged.

IV. CEO'S REPORT TO THE BOARD OF ALL ESP EMPLOYEES LAID OFF. The CEO shall report the number of ESP employees laid off to the BOARD in the CEO's quarterly report of personnel transactions as provided in Board Rule 4-1(b).

* One of the responsibilities of all high school teachers is to work to improve reading skills of all students in all subject areas.
