OSF Saint Francis Medical Center

Peoria, Illinois

Children's Hospital of Illinois

Children's Hospital of Illinois is a 136-bed hospital housed on the OSF Saint Francis Medical Center campus. More than 115 pediatric specialists representing 40 pediatric subspecialties practice in the hospital. It's the first Pediatric Critical Care Hospital in the state and serves as the primary pediatric teaching facility for the University of Illinois College of Medicine.

Children's Hospital is also designated as the area's Regional Perinatal Center, with central Illinois' only Level IV neonatal intensive care unit and Level I Trauma Center. Children's Heart Institute at Children's Hospital is also one of the Midwest's top pediatric heart surgery programs. Children's Hospital operates the Pediatric Surgery Center, which brings together 10 surgical specialties, including the only pediatric neuro and plastic surgeons pediatric ophthalmologist outside Chicago.
