Ossetia demands to recognize UNA-UNSO as a terrorist organization

Monitoring group of the movement “Ours” in South Ossetia appealed to the Prosecutor’s Office of Russia with the request to recognize the Ukrainian political party UNA-UNSO as a terrorist organization, press office of the movement reported.

Similar appeal will be delivered to the Prosecutor’s Office and Security Service of Ukraine. According to the members of the movement, it is connected with that the leading members of UNA-UNSO took part in the military crimes on the territory of South Ossetia
