History

Harsco was founded in 1853 as **The Harrisburg Car Manufacturing Company** and became the **Harrisburg Steel Corporation** in 1935. Following a series of acquisitions, the company became **Harsco Corporation** in 1956.

Products and Services

Harsco operates three primary businesses.

Harsco Metals & Minerals: Onsite services to metal-producing operations and a leading provider of innovative recycling solutions for industrial byproducts.

Harsco Rail: Railway track maintenance and new track construction services, equipment and support.

Harsco Industrial: Industrial products for the energy and energy-related markets. Harsco Air-X-Change offers air-cooled heat exchangers for natural gas compression and pipeline distribution. Harsco IKG offers steel grating for industrial and commercial flooring and safety walkways. Harsco Patterson-Kelley offers energy-efficient boilers and hot water systems for large commercial and institutional buildings.

Financial information

Harsco reported total sales of USD \$3.0 billion in fiscal year 2012.

Stock exchanges

Harsco is traded publicly on NYSE with ticker symbol HSC.
