Storyline

Pogue is a private eye with a problem: every morning when he wakes up, he has total amnesia, waking up with a 'blank slate'. Since he is in the middle of a hot investigation and has a developing romance, this is less than convenient. *Written by Reid Gagle*

Pogue's dog, Baby, has an eye-patch over his right eye. It is stated that as a result, the dog has a depth perception problem. While this could be true, the problem manifests itself not as depth perception, but in moving towards things to the left of where they actually are. [See more](#) »

Truly an underrated film...

16 February 2003 | by [all-knowing1](#) (Waco, TX) – [See all my reviews](#)

I loved Clean Slate, very funny movie. I know the critics weren't too crazy about it, but I love it! This film and it's lead actor Dana Carvey, deserve more respect. Though his movies may not be great(with the exception of Wayne's World 1 and 2)he is a very talented comedian. I give this film 4 stars****
