### Choose Election

Use this screen to search election names. Links are to election pages ([example](#)). To search for candidate names, please use the [Choose Candidate Screen](#). Please also refer to links under 'Instructions/Guidance' on the navigation bar. A maximum of 500 entries will be returned and they are returned in alphabetical order

You are either using a browser that does not support Ajax or more likely your network administrator has disabled Ajax. This screen has enhanced functionality when Ajax is enabled. Non-ajax implementations do not fill the screen automatically so you will have to click the 'display matching records' button after you enter your search criteria.
