Urogynecology at Advocate Illinois Masonic Medical Center

Innovative Care for a Better Quality of Life

Problems with urinary and bowel control can be embarrassing and can hinder the way you live your daily life. Fortunately, specialists can help treat your problems and get you back to the activities you enjoy.

Urogynecologists are gynecologists who specialize in caring for women with pelvic floor disorders such as incontinence, pelvic pain and pelvic organ prolapse. The urogynecologists at Advocate Illinois Masonic Medical Center are understanding, caring professionals dedicated to helping patients improve their quality of life through innovative treatments for bladder, kidney, urinary and pelvic floor disorders. Learn more about the comprehensive services we provide.
