4/1 - Color Front, B&W Back

To reproduce the spectrum of colors we blend 4 main colors: Cyan, Magenta, Yellow and Black. The printing term "4/1" refers to these four process colors on the front, and only one color (usually Black) on the back.

Hang Tags Prints for Branding Improvement

Let your fashion boutique stand out in a sea of apparel stores out there by investing in **clothes hang tags**. The fashion industry is known to be fierce. Thus, whether you're planning to venture in this business or you want to improve your branding, you'll need marketing materials such as clothing tags to present your brand better to your target market.

Designing and getting high-quality custom hang tags couldn't be any easier when you choose the right online printing partner. Here in Printrunner, we offer a wide variety of hang tags printing services and design options to suit your fancies.

Inject personality into your apparel labels by customizing the size and shape. Printrunner offers sizes that can be as small as 2" x 2" and as large as 17" x 17". You can also make your tags look more fun by opting for shapes like rounded corner, leaf, half circle side, oval, and circle. You can even decide on the type of coating to make them vibrant and long-lasting.

Hang tags printing and designing don't have to be boring and difficult when you choose PrintRunner as your printing partner. You will even be impressed by how fast we could produce and deliver your order. Expect your set to be ready for shipping in 4 business days without having to pay a lot!
