HOW WE HELP

ABOUT

Heimerl & Lammers — Minnesota Personal Injury Attorneys

A serious injury is a life-changing event. Following an accident, you may be out of work, dealing with pain in your everyday life, and worried about your future. You need someone to protect your rights and fight for your best interests.

At the law firm of Heimerl & Lammers, our lawyers will guide you through the process of getting the compensation you deserve, so you can concentrate on getting better. We represent people injured in all types of personal injury cases, including car accidents, work comp claims, truck accidents, motorcycle crashes, construction accidents, dog bites, and slip and fall accidents.

Free Initial Attorney Consultation

To discuss your case with one of our lawyers at no cost or obligation, call us, text us, or fill out the contact form on this page today. The consultation is free and confidential. Cases we handle:

Auto Accidents

- Car accidents
- Truck accidents
- Motorcycle accidents
- Boating accidents
- Bike accidents
- Pedestrian accidents

Serious Bodily Injuries

- Traumatic brain injuries
- Spinal Injuries
- Broken bones
- Severe joint injuries
- Vision or hearing loss injuries

Catastrophic Injuries
