WELCOME TO TIMBERSTONE SHORES

Welcome to Timberstone Shores

Timberstone Shores is a unique lakefront development designed for those who treasure privacy amidst the ambience of nature. Located within a 600 acre wilderness preserve on Manitoulin Island, each waterfront parcel features a sunset view of the deep, spring-fed waters of Nameless Lake.

Access to this motorless lake is exclusive to property owners, their families and guests. Timberstone Shores presents an exceedingly rare and rapidly disappearing opportunity for you to acquire a haven of true privacy and security in an increasingly tumultuous world.
