## HER HOME MAGAZINE

**HER HOME Magazine** is recognized for insightful writing, beautiful photography, and the magazine's knack for knowing what's just around the corner in terms of residential design and products.

## ALTERNATIVE BUILDING METHODS

You can build a stronger, safer new home using **Alternative Construction Methods** such as Insulated Concrete Forms (ICFs), Structural Insulated Panels (SIPs), or Panelized Walls. We've worked with leading product suppliers to adapt many of our home plans to take advantage of the unique benefits these products offer.

## LIVABILITY AT A GLANCE<sup>SM</sup>

Rather than starting with the elevation when looking at a house plan, women often begin by looking at floor plans. Which begged the question, "How do women look at home plans?" As we delved into this topic, we learned women look at a home plan to determine "how the home lives." From this discovery, **Livability at a Glance<sup>SM</sup>** was born.

## Design Trends and Articles

## PROGRAMS FOR HOME BUILDERS

**Woman-Centric Matters!<sup>TM</sup>**

**Builder-Centric**

Our **Woman-Centric Matters!<sup>TM</sup>** approach is based on customer feedback, mostly from our women customers. We've been inspired to design our homes with innovative solutions for enhanced livability and style. We have an understanding and appreciation for women's preferences of products selected for the home.

### A Study of Home: Special Places to Gather

Special places to gather are what makes a house a home; otherwise, families are essentially just cohabitating, which makes their home a place for eating and sleeping. Gathering places don't have to be elaborate or defined – even if it's just at the breakfast bar for a quick meal – being together is what makes you feel connected. ... [\[Read More\]](#)
