## About forfeiture.gov

Notices of administrative, civil and criminal forfeiture actions have traditionally been published in newspapers. Publication of forfeiture notices are now permitted on a government internet site under 28 CFR Part 8.9, Rule G of the Supplemental Rules for Admiralty or Maritime Claims and Asset Forfeiture Actions (part of the Federal Rules of Civil Procedure), and/or Rule 32.2(b)(6) of the Federal Rules of Criminal Procedure.

This website is managed by the Department of Justice, Asset Forfeiture Management Staff and contains a comprehensive list of pending forfeiture notices for all of the federal agencies shown below.

Please note that Title 18, United States Code, Section 983(h)(1), permits a court to impose a civil fine on anyone asserting an interest in property which the court determines was frivolous.
