ELECTRONIC CASE FILING POLICIES AND PROCEDURES MANUAL

I. THE ELECTRONIC CASE FILING SYSTEM

A. IN GENERAL. Unless otherwise permitted by the local rules, these policies and procedures, or unless otherwise authorized by the assigned judge, all documents submitted for filing in this District must be filed electronically using Electronic Case Filing (“ECF”).¹ Documents must be submitted for filing in Portable Document Format (“PDF”).² Documents must be converted to PDF directly from the filer’s word processing software rather than scanned. Documents must be submitted in text searchable format, whenever possible.

1. Parties proceeding pro se cannot file electronically.
2. An attorney may apply to the assigned judge for permission to file documents in paper format. The judge’s permission may be withdrawn at any time during the pendency of a case, requiring the attorney to file documents electronically using ECF.
3. The Clerk’s Office or any judge of this Court may deviate from these procedures in specific cases without prior notice, if deemed appropriate in the

¹“Electronic filing” means uploading a pleading or document directly from the registered user’s computer, using the Court’s Internet-based system, to file that pleading or document in the Court’s case file. Sending a document or pleading to the Court via e-mail does not constitute “electronic filing.”

²A document created with almost any word-processing program can be converted to PDF. The PDF program in effect takes a picture of the original document and allows anyone to open the converted document across a broad range of hardware and software, with layout, format, links, and images intact. For information on PDF, refer to the ECF User Manual, Appendix D.

exercise of discretion, considering the need for the just, speedy, and inexpensive determination of matters pending before the Court. The Court may also amend these procedures at any time without prior notice.

4. Attorneys must check the Court's website at www.wied.uscourts.gov (under the tab "Judges") for any standing orders or specific instructions entered by the assigned judge with respect to electronic filing or the submission of courtesy copies.

B. LOGINS AND PASSWORDS. Each attorney admitted to practice in the Eastern District of Wisconsin and in good standing is entitled to one ECF login and password from the District Court. The login and password permits the attorney to participate in electronic filing.

1. No attorney must knowingly permit or cause to permit his or her login and password to be utilized by anyone other than an authorized employee of his or her office.
2. Once registered, the attorney is responsible for all documents filed with his or her login and password.
3. Registration for a login and password is governed by Section I.C.
4. The login used to electronically file a document must be that of the attorney whose electronic signature (s/Attorney Name) appears on the document.

C. REGISTRATION.

1. Each attorney filing electronically must complete an ECF Registration Form. The Court will issue logins and passwords to attorneys who are admitted to

practice in this District and in good standing. ECF Registration forms are available on the Court's web site: www.wied.uscourts.gov.

2. ECF Registration Forms are submitted electronically to the Court. To ensure that the Clerk's Office has correctly entered a registering attorney's e-mail address in ECF, the Clerk's Office will send the attorney an e-mail message requesting confirmation of receipt. Login and Password information will be sent via separate e-mail once the confirmation e-mail is received by the Court.
3. After registering, attorneys may change their assigned password. An attorney must immediately change his or her current password if there is reason to believe that the security of that password has been compromised and that a threat to ECF exists.
4. Attorneys are responsible for maintaining current contact information with the Court. Attorneys can update their e-mail addresses in the Maintain Your Account Section of ECF Utilities. Notification of a change of firm and/or change of address is to be electronically filed with the Court and served on all other parties in accordance with Section II.B of these policies and procedures.

D. PAYMENT OF FEES.

Payment of filing fees may be made from a checking account, savings account, or by credit card through Pay.gov. The option to use Pay.gov for payment is offered to the filer during the filing of the document. The court may expand the usage of

Pay.gov for payment of other fees in its discretion. Any fee required may be paid at the Office of the Clerk of Court by credit/debit card, check, money order, or cash.

II. ELECTRONIC CASE FILING AND SERVICE OF DOCUMENTS

A. FILING.

1. An electronically filed document is considered filed for purposes of the federal rules when the filing party receives an ECF-generated “Notice of Electronic Filing” as described in Section II.B.1 of these policies and procedures.
2. Documents that originate with the filer must be directly extracted from the filer's word-processing software and not scanned. If a document cannot be extracted and a scanned document is filed, the filing attorney is required to verify the legibility of the document before electronically filing it with the Court.
3. Unless the assigned judge orders a document to be filed by a specific time, documents are timely if filed before midnight on the day they are due.
4. Attachments and exhibits must be filed as separate attachments and identified using the same exhibit number or letter as referred to in the citing document(s). Single attachments or exhibits larger than ten megabytes must be filed electronically in separate ten megabyte segments.
5. The official Court record is the electronic file maintained on the Court’s servers. The official record includes any paper documents or exhibits filed in accordance with these procedures.

6. The Clerk's Office retains all original indictments, informations, waivers of indictments and plea agreements in criminal cases. The Clerk's Office will not retain any other original documents that have been submitted in accordance with these rules after they have been scanned and uploaded to ECF. Original documents are immediately disposed of pursuant to the National Archives and Records Administration (NARA) Records Disposition Authority, effective May 12, 2006.
7. An official transcriber or contract court reporter must electronically file the certified transcript of a Court proceeding with the Clerk's Office in accordance with the policy adopted by the Judicial Conference in September 2007 regarding the availability of transcripts in electronic format (JCUS-SEP 07, p.12).

B. SERVICE.

1. Whenever a pleading or other paper is filed electronically in accordance with these procedures, ECF will generate a "Notice of Electronic Filing" to the filing attorney, all registered case participants, and the assigned judge.

 - b. A pro se party is entitled to a paper copy of any electronically filed pleading or document in accordance with the federal rules, together with the required certificate of service.

- c. Any attorney who has been excused by the Court from the requirement of electronic filing is entitled to a paper copy of any electronically filed pleading or document in accordance with the federal rules, together with the required certificate of service.
 - d. In all cases where a party is represented by multiple attorneys, the attorney(s) who are registered ECF Users are responsible for service on any non-registered attorney(s) representing the same party.
2. A separate certificate of service is not required for papers served electronically if all parties were served through ECF. The Notice of Electronic Filing will be deemed the certificate of service for purposes of Fed. R. Civ. P. 5(d)(1) and Fed. R. Crim. P. 49(b). See Civil L.R. 5.
 3. The three-day rule of Fed. R. Civ. P. 6(d) and Fed. R. Crim. P. 45(c) for service by mail also applies to service by electronic means.

A problem on the filer's end, including problems relating to phone lines, the filer's Internet Service Provider (ISP), and hardware or software problems, will not constitute a technical failure under these procedures nor excuse an untimely filing. A filing attorney, whose filing is made untimely as the result of a technical failure, may seek appropriate relief from the presiding judge.
