

LOCATOR

WELCOME TO OFFENDER LOCATOR

Information regarding offenders with the Wisconsin Department of Corrections (DOC) is made available as a public service and in the interest of public safety. The DOC updates this information periodically to ensure that it is complete and accurate; however, this information can change quickly. Therefore, the information on this site may not reflect the true current location, status, release date or other information regarding an offender.

This database provides public record information of convicted offenders who were sentenced to incarceration, supervision, or both with the DOC. The database, however, does not provide all possible offender information on all possible offenders. For example, it does not provide information on offenders sentenced to county jail, nor does it provide information on adjudicated (juvenile) offenders or those of interest to the Department of Justice.

It is not the intent of the DOC that this information be used to injure, harass, or commit a criminal act against persons named in the database. Anyone who takes any criminal or tortious action against these offenders, including, but not limited to, vandalism of property, verbal or written threats of harm, or physical assault, is subject to criminal prosecution and criminal penalties including fines, restitution, imprisonment, and is likewise subject to civil proceedings and the penalties that may be imposed by a civil court of law, including, but not limited to, liability for attorneys fees and treble damages.
