### Scalp relief and great scent, but greasy

By [Lalalalady000](#) on April 4, 2017

Size: Pack of 1 [Verified Purchase](#)

After use I want to update to say this does make the hair somewhat greasy, but as a tradeoff it stops the itching and dry feeling.

I was skeptical of adding grease to my hair, but this does not weigh down my hair or make it stiff. I have straightened hair and really bad dandruff. I have tried dandruff shampoos and they work at first, but then stop being effective. I got this to help my dry scalp when the shampoo wasn't working. It makes my scalp feel tingly and refreshed after so much dry feeling and itching. It goes on smoothly and it smells good. I have tried other scalp oils that cause allergic reactions and this one does not cause any reactions. It feels soothing and offers a lot of relief. The smell is a bonus. My hair is soft and silky. I will keep using this in addition to a dandruff shampoo.

I really like the cooling feeling I get when applied to my scalp. It's not too tingley where it would be an irritant ,but just the right amount of cool.
