About Your Primary Care Medical Home

A medical home is an approach to providing **total health care**. With your medical home, you join a team that includes health care professionals, trusted friends or family members and – most importantly – **YOU**.

At Aunt Martha's, we provide **patient-centered** health care. That means you are the focus of your health care. You are the most important person on the **health care team**.

With Aunt Martha's as your medical home, *you can*:

- Choose your patient care team
- Seek a second opinion
- Seek specialty care

Your patient care team can:

- Help you manage your health care
- Help answer your health questions
- Listen to your concerns
- Work with other medical experts, if necessary
- Encourage you to play an active part in your own health care
- Coordinate your care through additional services, whether we provide them here at Aunt Martha's or help you find them in the community.
