

Antitrust / Competition

Winston & Strawn's global antitrust/competition attorneys help clients in myriad industries resolve their most complex problems. Regularly handling issues of every size and scope, our internationally renowned lawyers are proud to offer a full range of related services, including advice and representation related to all aspects of global cartel defense, civil and criminal litigation, government investigations, mergers and acquisitions, and regulatory counseling and compliance. The group has been ranked as "Highly Recommended" by *Global Competition Review* and as National Tier 1 in *U.S. News & World Report* and *Best Lawyers*® 2014 "Best Law Firms."
