

The Moran Group

The Moran Group

F.E. Moran Fire Protection is a subsidiary of The Moran Group, whose pedigree goes back more than five decades. Frank Edward Moran founded F.E. Moran in 1957; originally a piping contractor, they then extended their reach to sheet metal fabrication and installation. Throughout the past twenty years, The Moran Group grew to form additional companies offering services for fire protection, mechanical contracting and high-risk, high-value facilities.
