Diaper Project

*If your church would like to coordinate a diaper drive, please **contact us** by emailing kayevonndailey@womenshealthlink.org*

The Diaper Giveaway is sponsored by St. Joseph Community Health Foundation and the St. Michaels Foundation.

Through this project, we partner with local churches in Fort Wayne to give away diapers, a much needed item, to local families to show our support for choosing life for their children despite difficult financial circumstances. Diapers are not covered by WIC vouchers or food stamps. This is our opportunity to reach out to families with love and charity inspired by Jesus.

Through the Diaper Giveaway, expectant mothers and families with small children will receive one bundle of diapers for each child present.

We are proud to partner with the following churches for the 2016 project:
