

We're here to help.

We partner with Illinois families and communities to help children and youth with special healthcare needs connect to services and resources.

How we help.

How we help you and your child depends on your specific preferences and needs. Our Care Coordinators can support you in the following areas:

- » [Accessing free diagnostic tests](#)
- » [Finding specialized medical care](#)
- » [Using insurance & ALL Kids / Medicaid](#)
- » [Finding resources & information](#)
- » [Developing a care coordination plan](#)
- » [Communicating with doctors, specialists, & schools](#)
- » [Preparing for transition](#)
- » [Paying for certain medical expenses](#)

Who we help.

We serve thousands of families in all counties across the State of Illinois.

“To have an organization that... (makes) the family's job, even though it's a difficult one, run more smoothly, that's what Specialized Care for Children really does.”

– Gordon Jones
