- (b) A respondent may file a counterclaim at any time after notice of the filing of the Demand is sent by the AAA, subject to the limitations set forth in Rule R-6. The respondent shall send a copy of the counterclaim to the claimant and all other parties to the arbitration. If a counterclaim is asserted, it shall include a statement setting forth the nature of the counterclaim including the relief sought and the amount involved. The filing fee as specified in the applicable AAA Fee Schedule must be paid at the time of the filing of any counterclaim.
- (c) If the respondent alleges that a different arbitration provision is controlling, the matter will be administered in accordance with the arbitration provision submitted by the initiating party subject to a final determination by the arbitrator.
- (d) If the counterclaim does not meet the requirements for filing a claim and the deficiency is not cured by the date specified by the AAA, it may be returned to the filing party.

R-6. Changes of Claim

- (a) A party may at any time prior to the close of the hearing or by the date established by the arbitrator increase or decrease the amount of its claim or counterclaim. Written notice of the change of claim amount must be provided to the AAA and all parties. If the change of claim amount results in an increase in administrative fee, the balance of the fee is due before the change of claim amount may be accepted by the arbitrator.
- (b) Any new or different claim or counterclaim, as opposed to an increase or decrease in the amount of a pending claim or counterclaim, shall be made in writing and filed with the AAA, and a copy shall be provided to the other party, who shall have a period of 14 calendar days from the date of such transmittal within which to file an answer to the proposed change of claim or counterclaim with the AAA. After the arbitrator is appointed, however, no new or different claim may be submitted except with the arbitrator's consent.

R-7. Jurisdiction

- (a) The arbitrator shall have the power to rule on his or her own jurisdiction, including any objections with respect to the existence, scope, or validity of the arbitration agreement or to the arbitrability of any claim or counterclaim.
- (b) The arbitrator shall have the power to determine the existence or validity of a contract of which an arbitration clause forms a part. Such an arbitration clause shall be treated as an agreement independent of the other terms of the contract. A decision by the arbitrator that the contract is null and void shall not for that reason alone render invalid the arbitration clause.
- (c) A party must object to the jurisdiction of the arbitrator or to the arbitrability of a claim or counterclaim no later than the filing of the answering statement to the claim or counterclaim that gives rise to the objection. The arbitrator may rule on such objections as a preliminary matter or as part of the final award.
