Startek Workforce Solutions is a leader in providing workforce for installation of Advanced Video, High Definition Programming, Digital Video Recording, High-Speed Internet and Telephone Services. Our talented technicians and corporate structure are why we are expanding quickly. We have an innovative and diverse staff that is dedicated to customer satisfaction.

Startek is always looking for great talent to expand our team.

**StarTek is and always will be A COMPANY THAT CARES!!!**

We are a leader in the cable installation industry and we are looking for Triple Play Technicians. StarTek is only as strong as our workforce and as such we are committed to the professional success of our technicians. Startek always strives to make sure our technicians are among the best paid in the industry.
