Taiwan Nichinichi Shinpo (1898-1944) 台灣日日新報

Taiwan nichinichi shinpo was an official newspaper of the Taiwanese government under Japanese colonial rule. In the wake of the changing status of affairs, this daily newspaper included news about legislation and the fluctuation of the social hierarchy, in addition to chronicling current events, and cultural activities. The paper was published in Japanese from 1898-1944, and added Chinese text from 1905-1911. It is one of the most indispensable resources for the study of Taiwanese history during the colonial period.
