About Rules of Community Supervision

Offenders on community supervision must comply with the Standard Rules of Community Supervision. The supervising agent may impose additional rules of supervision specifically related to the offender or offense or the sentencing court may impose additional conditions of supervision. Offenders who are convicted of or have a history of sexual offenses may be required to adhere to additional Standard Sex Offender Rules of Supervision. Standard Rules of Supervision are available in English, Spanish, and Hmong and the Standard Sex Offender Rules of Supervision are available in English and Spanish.
