Kaufman Test of Educational Achievement – Third Edition (KTEA-3)

The Kaufman Test of Educational Achievement – Third Edition (KTEA-3: Kaufman & Kaufman, 2014) is an individually administered measure of academic achievement for individuals from ages 4.5 through 25.

OVERVIEW

The comprehensive form assesses achievement in the areas of reading (silent reading fluency, writing fluency, reading vocabulary, phonological awareness, nonsense word decoding, word recognition fluency, decoding fluency, associational fluency, naming facility [RAN]); reading composite (letter and word recognition, reading comprehension); math composite (math fluency, math concepts and applications, math computation); written language composite (written expression spelling); oral language composite (oral expression language comprehension); and comprehensive achievement composite. Scores are reported as age- or grade-based standard scores ($M = 100$, $SD = 15$), percentile ranks, normal curve equivalents (NCEs), stanines, and Growth Scale Value (GSV).

SUMMARY

Author (yr)	Age Range (yrs)	Method of Administration/Format	Approx. Time to Administer	Subscales
	4.5-25
