Drug Safety Labeling Changes (SLC) Quick Reference

The Drug Safety Labeling Changes (SLC) database provides approved safety labeling changes from January 2016 forward. Data prior to January 2016 will continue to be available on the MedWatch website.

How to Search by Drug Name (brand or generic) or Active Ingredient
Enter at least three characters. Searches use predictive text.

How to Search by Date
Enter date range (January 2016 forward). All labeling sections will be searched unless unchecked.

How to Search Within Results / Choose Result
Search within multiple results, filter results, sort by column, or select drug name.
How to Download Data Files
Search results can be downloaded and saved in CSV format.
How to Access Multiple Supplements

Multiple Supplements within search results can be collapsed or expanded for viewing purposes.
