data reflects an increase in the number of COVID-19 positive tests reflected in the table below. The BOP is able to better utilize this information for the management of an outbreak at the relevant, affected facility.

The inmate totals listed do not include inmates participating in the Federal Location Monitoring program, inmates supervised under the USPO, or being held in [privately managed prisons](#). Additionally, the reference to the FCI Butner Low below refers to an isolation unit that is physically separated from the rest of the LSCI.
