We connect next-generation technology— smarter than anyone else.

WeConnect™ is the new name for the companies formerly known as Alternative Entertainment Inc. and WeConnect Enterprise Solutions.

Premier Distribution, Installation & Service!

WeConnect™ makes connections that matter—a lot. We build the ways to connect technology to homes and businesses, enabling them to connect with the world. Through software, processes and systems. Wire, cable, fiber or a means yet to be discovered. Underground, overhead or by satellite. Across your community or across this nation. We're

Home Entertainment Solutions

As a Regional Service Provider and Authorized Retailer, we're specifically trained to find the best home entertainment solutions.

Satellite Internet

We support our dealer's businesses from basic residential satellite home solutions to complex commercial installations.

Cabling & Connectivity Supplies

We support independent telecommunications dealers and contractors with strategic warehouse locations for rapid delivery.

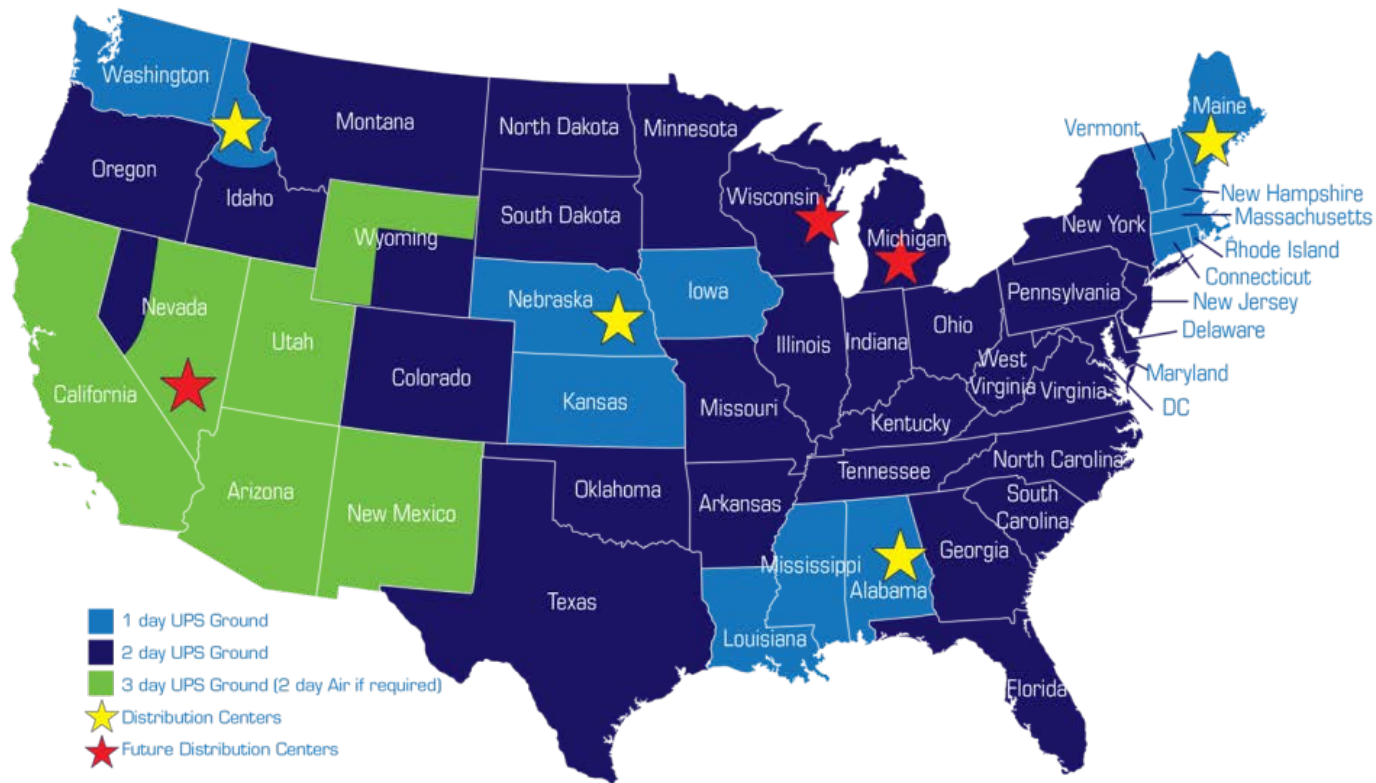

Aviation & Mission-Critical Continuity Services

We have specialized experience in emergency communication configuration, rescue services or other quick-response global operations
