### Early Voting

#### In-Person Early Voting & Registration

For the March 20 Primary Election, Chicago voters will be able to use Early Voting & Registration from Feb. 21 through March 19.

Ballots cast in Early Voting are final. After casting ballots in Early Voting, voters may not return to amend, change or undo a ballot for any reason. It is a felony to vote more than once -- or to attempt to vote more than once -- in the same election.

Government-issued photo ID is not required but is helpful if there is a question about the voter's registration, address, signature or if there are two voters with the same or similar names at the same address.

Registration services are available at Early Voting sites. NOTE: Any voter who needs to register for the first time or file an address update or a name change [must show two forms of ID](#), one of which shows the voter's current address.
