A new year will mean new leadership at the St. Joseph County Police Department.

Sheriff-elect Bill Redman is already preparing for the job.

WSBT 22 spoke with Redman and the current sheriff.

Bill Redman and current sheriff Mike Grzegorek have been working together since late November to make sure the transition is smooth.

Grzegorek may not have supported Redman during the election, but they are both committed to running a strong department.

After a race so close it went to a recount, Bill Redman will be the new sheriff on January 1.
