• Grided observed snowfall images, seasonal totals, and data downloads in several formats can now be found on the National Snowfall Analysis page.

Directions:

• Select a physical element to view, select a date, select overlays, and click "Redraw Map."
• Clicking on the map while the Recenter button is selected (red) will recenter the map on that point.
• Clicking on the Zoom Control slider will zoom into or out of the map.
• Clicking on the map and dragging with the button held down while the Recenter button is selected (red) will zoom to a rectangle when the button is released.
• Stations and regions can be queried using the Query button and menu.
