Under the umbrella of Correctional Enterprises, Badger State Industries currently operates 13 industries within 11 correctional facilities. We manufacture license plates for the DOT as well as smaller municipalities. We manufacture a large selection of furnishings for offices, classrooms, libraries, public facilities, dining areas, and institutions. BSI also operates a printing facilities and a state-of-the-art signage operation. And, we have a textile shops that sews a growing line of garments, mattresses, and other sewn products. Finally BSI provides laundry services to a variety of agencies. All of these operations employ inmate workers, providing them with training, a sense of accomplishment and a small income. Prison industries work!

Under the same umbrella are correctional farms and community service projects. Correctional farms, in two locations, raise dairy cattle, produce dairy products for inmate consumption and feed steers for resale. Community service projects can take many forms.

Mission Statement

The mission of the Bureau of Correctional Enterprises (BCE) is to enhance public safety by providing jobs and training for inmates which develop marketable skills and experiences in financially viable businesses, producing quality products and services to our customers.
